

He Rautaki Ako (Māmā)

Introduction to supporting people with literacy learning difficulties

Level 5

Across our communities there are tutors, teachers, trainers and support staff dedicating their time to help others learn or improve their skills.

Whether you're in the classroom, out in the field or in the workplace, you're likely to meet people struggling with literacy challenges.

You can help improve the learning experience for your students (taura) with our micro-credential programme. It will provide you with a broad understanding of:

- › the different types of literacy difficulties taura face
- › the underlying causes of these issues
- › using a range of basic strategies to help you to support your taura in class
