

# Te Kumanu Raeroa **New Zealand Certificate in Tiaki Kuia, Koroua** Level 3

**Do you work with, or aspire  
to work with, kuia and  
koroua in our community?**

If so, Te Kumanu Raeroa will give you the right skills to support our kaumātua (older people) in a way that's most appropriate for their needs.

This introductory programme combines tikanga with an understanding of health services to ensure kuia, koroua and their whānau are not only well looked after, but also cherished, understood and empowered in the community.

Tauira enrolled in this programme are encouraged to bring their own digital device to download resources to support their studies.
