rānei o tō whānau.*

*Kei roto i ō ringaringa te oranga, kia mau, whāia!*

Kia ora and welcome!

I am delighted that you are exploring Te Waharoa (our prospectus) for 2015. At Te Wānanga o Aotearoa we are guided by a philosophy of 'whānau transformation through education', and within this book is the suite of programmes that can allow that transformation to begin.

You may be considering studying with us for the first time. If so, haere mai! Be assured that our whānau on campuses throughout Aotearoa will do all they can to support your educational success. If you are returning to continue your studies, nau mai anō. We look forward to providing the nurturing and supportive education and environment that inspires many to return to continue to improve their skills and qualifications, and which has attracted hundreds of thousands of taura (students) to choose Te Wānanga o Aotearoa to deliver their higher learning.

It is our unique Te Wānanga o Aotearoa approach (the 'Wānanga way') that ensures an educational experience guided by Māori principles and values for all New Zealanders. This approach has also led to the phenomenal growth and success that has characterised the 30 years that we have been serving the people of Aotearoa.

In Te Waharoa you will find programmes designed to empower you, our taura, with the qualifications that will enhance your employment opportunities and provide a staircase to further education. We are proud of a focus that seeks to remove the often high barriers to education. Providing fee-free or low-fee programmes at more than 80 locations nationwide, we are confident we have the course within the depth and diversity of our programmes, from certificate to master's level.

We have also taken an embracing approach to support the diverse range of learners across all ages who select Te Wānanga o Aotearoa for their study. We take great pride in the support we provide to you. We offer a range of services designed to support your educational and personal needs across academic achievement, careers, disability, enrolment, financial assistance, and pastoral care.

We'll work with you to develop your potential so you can successfully complete your studies.

I applaud you for taking the time to explore your opportunities at Te Wānanga o Aotearoa and I encourage you to build a future for you and your whānau.

I hope to welcome you into our whānau to begin or rekindle a learning experience that I know will further empower you with the skills to ensure you will achieve your full potential.

Jim Mather  
Te Taiurungi (CEO)

## NAU MAI, HAERE MAI!

Welcome to Te Waharoa – the official prospectus of Te Wānanga o Aotearoa. This book describes the programmes we will deliver in 2015.

### WHAT IS TE WĀNANGA O AOTEAROA?

If you're new to Te Wānanga o Aotearoa, we're one of the largest tertiary education providers in Aotearoa New Zealand. We deliver education to more than 30,000 taura each year, and we offer more than 65 programmes at certificate, diploma, degree and post-graduate level.

### WHAT CAN I STUDY?

Our programmes provide the skills you need to get a job or study at higher levels. Subjects include Māori language, arts, customs and practices; teaching and social work; computing and business; sports and fitness; English language; financial literacy and much more.

### WHERE CAN I STUDY?

Te Wānanga o Aotearoa has over 80 sites across Aotearoa New Zealand. Chances are there's a site just around the corner from you. If not, we also offer a range of home-based programmes. So, depending on what you choose to study, you may not have to go anywhere.

### WHEN CAN I STUDY?

Most of us have family obligations, and some of us have to work while we study. Because of this, we've done our best to provide you with choices that fit your lifestyle. For many of our programmes, you can choose to study full time, part time, in the evenings, or in the weekends. If you choose, one of our home-based programmes, you can study anytime you like either way, when you study with us, you'll have so many more options.

### HOW MUCH WILL IT COST?

We understand it's not always easy to make ends meet, especially when you're studying. We want you to focus on success in your studies rather than worrying about how you're going to pay the bills. This is why many of our programmes are free fee or have low fees. We do this so you don't end up with a huge student loan when you've finished studying with us.

### WHAT DO I GET FOR MY MONEY?

As much as possible, we'll provide you with all the resources and materials you'll need to complete your course.

### WHAT IF I HAVEN'T STUDIED FOR A WHILE?

Our taura tell us they love our great tutors and our fun learning environments. They also tell us they love the 'whānau feel' that operates at Te Wānanga o Aotearoa. If you've been thinking about studying in 2015, we look forward to welcoming you into our whānau (family).

### HOW DO I ENROL?

Enrolling at Te Wānanga o Aotearoa is easy. If you want to discuss your options, visit one of our campuses so you can talk to a tutor. If you already know what you want to do, download an enrolment form from our website at [www.twoa.ac.nz](http://www.twoa.ac.nz). Once you've completed the form, return it to us with evidence of your identity. Programmes may have entry requirements, these are shown on the individual programme pages. These are shown on the programme pages in this book where they apply. Entry requirements are also shown with relevant programmes on our website at [www.twoa.ac.nz](http://www.twoa.ac.nz).

### WHAT SUPPORT WILL I GET?

We want to ensure you succeed because we understand the importance of education and its ability to transform the lives of our taura. We offer student support systems that will help you overcome any problems you may face while you're studying.

### WHAT IF I WANT TO MAKE A SUGGESTION?

We aim to improve the services we offer. If you have any suggestions about how we can make things better for you, please let us know. You can contact our student support unit at [student.support@twoa.ac.nz](mailto:student.support@twoa.ac.nz) or our marketing department at [marketing@twoa.ac.nz](mailto:marketing@twoa.ac.nz).

### CONGRATULATIONS!

By picking up this prospectus, you've taken the first step in a journey towards a better future. You're walking in the footsteps of hundreds of thousands of people just like you who have chosen to improve their lives through education. We congratulate you on your choice and we look forward to welcoming you into our whānau.

Te Wānanga o Aotearoa - Whānau transformation through education!

Choosing what to study is one of the most important decisions you'll make when start learning at tertiary level. Often, the choices you make when you start will impact on your future options, so you need to choose carefully.

The best way to plan your study is to choose a series of programmes that build your knowledge and skills as you work up through the levels.

## WHAT'S A PATHWAY?

A pathway is a plan you create for your educational journey with Te Wānanga o Aotearoa. It's a sequence of programmes that you choose to develop the skills you need to get a job or move on to further study.

The pathway you choose will have:

- a start point (based on your existing knowledge and skills)
- a series of programmes you want to study while you're with us, and
- an endpoint (which is the point you choose to finish your time with us).

## HOW DO I CREATE MY OWN PATHWAY?

Programmes in this book are grouped by subject area. At the start of each section, we've included a page that shows the programmes you can use to build a pathway in that subject area. Use these pages to build your pathway. Here's how to do it.

## 1 CHOOSE AN ENTRY POINT

The entry point of your pathway (your starting point) will depend on your existing level of knowledge in a subject area. If you have no knowledge of a subject, you may wish to start with a programme at level 2 or 3. If you have some knowledge, you may be able to start at a higher level. If you're not sure, talk to one of our tutors about which level you should start at.

If you've never studied at tertiary level, or you've been away from study for a while, our Tūāpapa (Foundation) programmes will get you started. You can use these programmes as the start of a pathway in any subject area.

## 2 CHOOSE AN EXIT POINT

Your exit point is the point at which you will stop studying with Te Wānanga o Aotearoa, either to seek employment or to move to another institution. Your exit point is the last programme in your pathway.

## 3 MAP YOUR PATHWAY

Choose programmes that work up through the levels and link your entry point with your exit point. This is your personal study pathway through Te Wānanga o Aotearoa.

## 4 TALK TO A TUTOR

Once you've mapped your personal pathway, it's a good idea to talk to one of our tutors to make sure the programmes you've chosen will lead you to achieve your goals.

Please note: You can build a pathway that travels through more than one subject area. For example, programmes in Te Reo Rangatira (Māori Language) also lead to programmes in Angitu (Māori & Indigenous People's Development). However, you need to make sure you choose the correct programmes at lower levels to support the programmes you want to do at higher levels.

## CONTACT US

For more information about pathways and programmes, please visit one of our campuses or contact us on 0800 355 553.

## NGĀ UARA OUR VALUES

Kotahi te kōwhao o te ngira e kuhuna ai te miro mā, te miro pango te miro whero. Ā muri kia mau ki te whakapono, kia mau ki te ture, kia mau ki te aroha.

There is but one eye of the needle through which must pass the white thread, the black thread and the red thread. Hold fast to faith, hold fast to the law, hold fast to love.  
*Nā Kīngi Pōtatau Te Wherowhero*

### TE AROHA

Having regard for one another and those for whom we are responsible and to whom we are accountable

### TE WHAKAPONO

The basis of our beliefs and the confidence that what we are doing is right

### NGĀ TURE

The knowledge that our actions are morally and ethically right and that we are acting in an honourable manner

### KOTAHITANGA

Unity amongst iwi and other ethnicities; standing as one

## TE WHAKAKITENGA OUR VISION

Ki te whakawhiwhi i ngā mea angitu, ā, i ngā akoranga katoa tino teitei mō ngā Māori me ngā iwi o Aotearoa me te ao.

Te Wānanga o Aotearoa will provide holistic education opportunities of the highest quality for Māori, peoples of Aotearoa and the world.

## TE KAUPAPA OUR PHILOSOPHY

Ki te whakawhiwhi i ngā mea angitu, ā, i ngā akoranga katoa tino teitei mō ngā Māori, me ngā iwi o Aotearoa me te ao

To provide holistic education opportunities of the highest quality for Māori, peoples of Aotearoa and the world

Ki te waihanga i tētahi āhuatanga hei akoranga tikanga Māori

To provide a unique Māori cultural learning environment

Ki te whakawhiwhi i te mea akoranga whai kiko

To provide practical learning experiences

Ki te tautoko, ki te whakahau, ki te ārahi i ngā tauira katoa, i a rātou e aru ana i ngā whanaketanga i ngā akoranga me ngā mahi e pā ana ki a rātou

To provide support, encouragement and guidance to all learners in their pursuit of personal development, learning and employment

Ki te whakahau i ngā tauira katoa ki te ako kia whiwhi ai rātou i te puāwaitanga tino teitei o te māiatanga

To encourage all learners to learn and achieve to their fullest potential

Ki te whakahau i ōna kaimahi, kia pai ai te haere o ngā tikanga o te mahi i whakaatu mai, kia whiwhi ai rātou i te puāwaitanga tino teitei o te māiatanga

To be a good employer and encourage staff to develop personally and professionally to their fullest potential

WHAT ARE QUALIFICATIONS, LEVELS AND CREDITS?

In Aotearoa New Zealand, qualifications are delivered across 10 levels of learning, from entry level certificates up to doctoral degrees. In general, the higher the level the more difficult the programme. Below is a brief explanation of what's involved for each level of study - certificate, diploma and degree level.

WHAT SHOULD I STUDY?

Choosing what to study is one of the most important decisions you'll make when you study at tertiary level. Your choice of programme will affect the amount of time you need to spend studying and will ultimately contribute towards your future study or career options.

	CERTIFICATE LEVELS 1-7 <sup>1</sup>	DIPLOMA LEVELS 5-7	DEGREE LEVELS 5-10
KNOWLEDGE	Starting at foundation level, certificates deliver knowledge and skills for employment, further learning and community involvement, building up to theoretical and technical knowledge and skills for use in a specific field of work or study.	Diplomas deliver theoretical, technical and/or specialist knowledge and skills within a specific field of work or study leading to work within a professional context.	Degrees offer a systematic and coherent introduction to a body of knowledge in a recognised major subject and include problem-solving and associated basic techniques of self-directed work and learning.
DURATION	18 weeks to 36 weeks.	36 weeks per year for one to three years depending on the diploma.	Three years – 36 weeks per year.
TIME COMMITMENT	Full-time or part-time <sup>2</sup> , depending on the programme. May require additional study outside class hours.	Full-time or part-time <sup>2</sup> , depending on the programme. May require additional study outside class hours.	Full-time – at least 40 hours per week. Part of this study may need to be in your own time depending on the programme.
CREDITS	Minimum of 40 credits <sup>3</sup>	Minimum of 120 credits <sup>3</sup>	360 credits (bachelor's degree) <sup>3</sup> 240 credits (master's degree)
PROGRESSION	May lead to a higher level certificate or a diploma.	May lead to degree level study.	A bachelor's degree may lead to a postgraduate qualification, including a master's degree. A master's degree may lead to a doctoral degree.

<sup>1</sup> Te Wānanga o Aotearoa offers certificates to level 5 only.

<sup>2</sup> Not all programmes provide a part-time option. Check your programme of choice to see if it has a part-time option.

<sup>3</sup> One credit equals about ten hours of study.

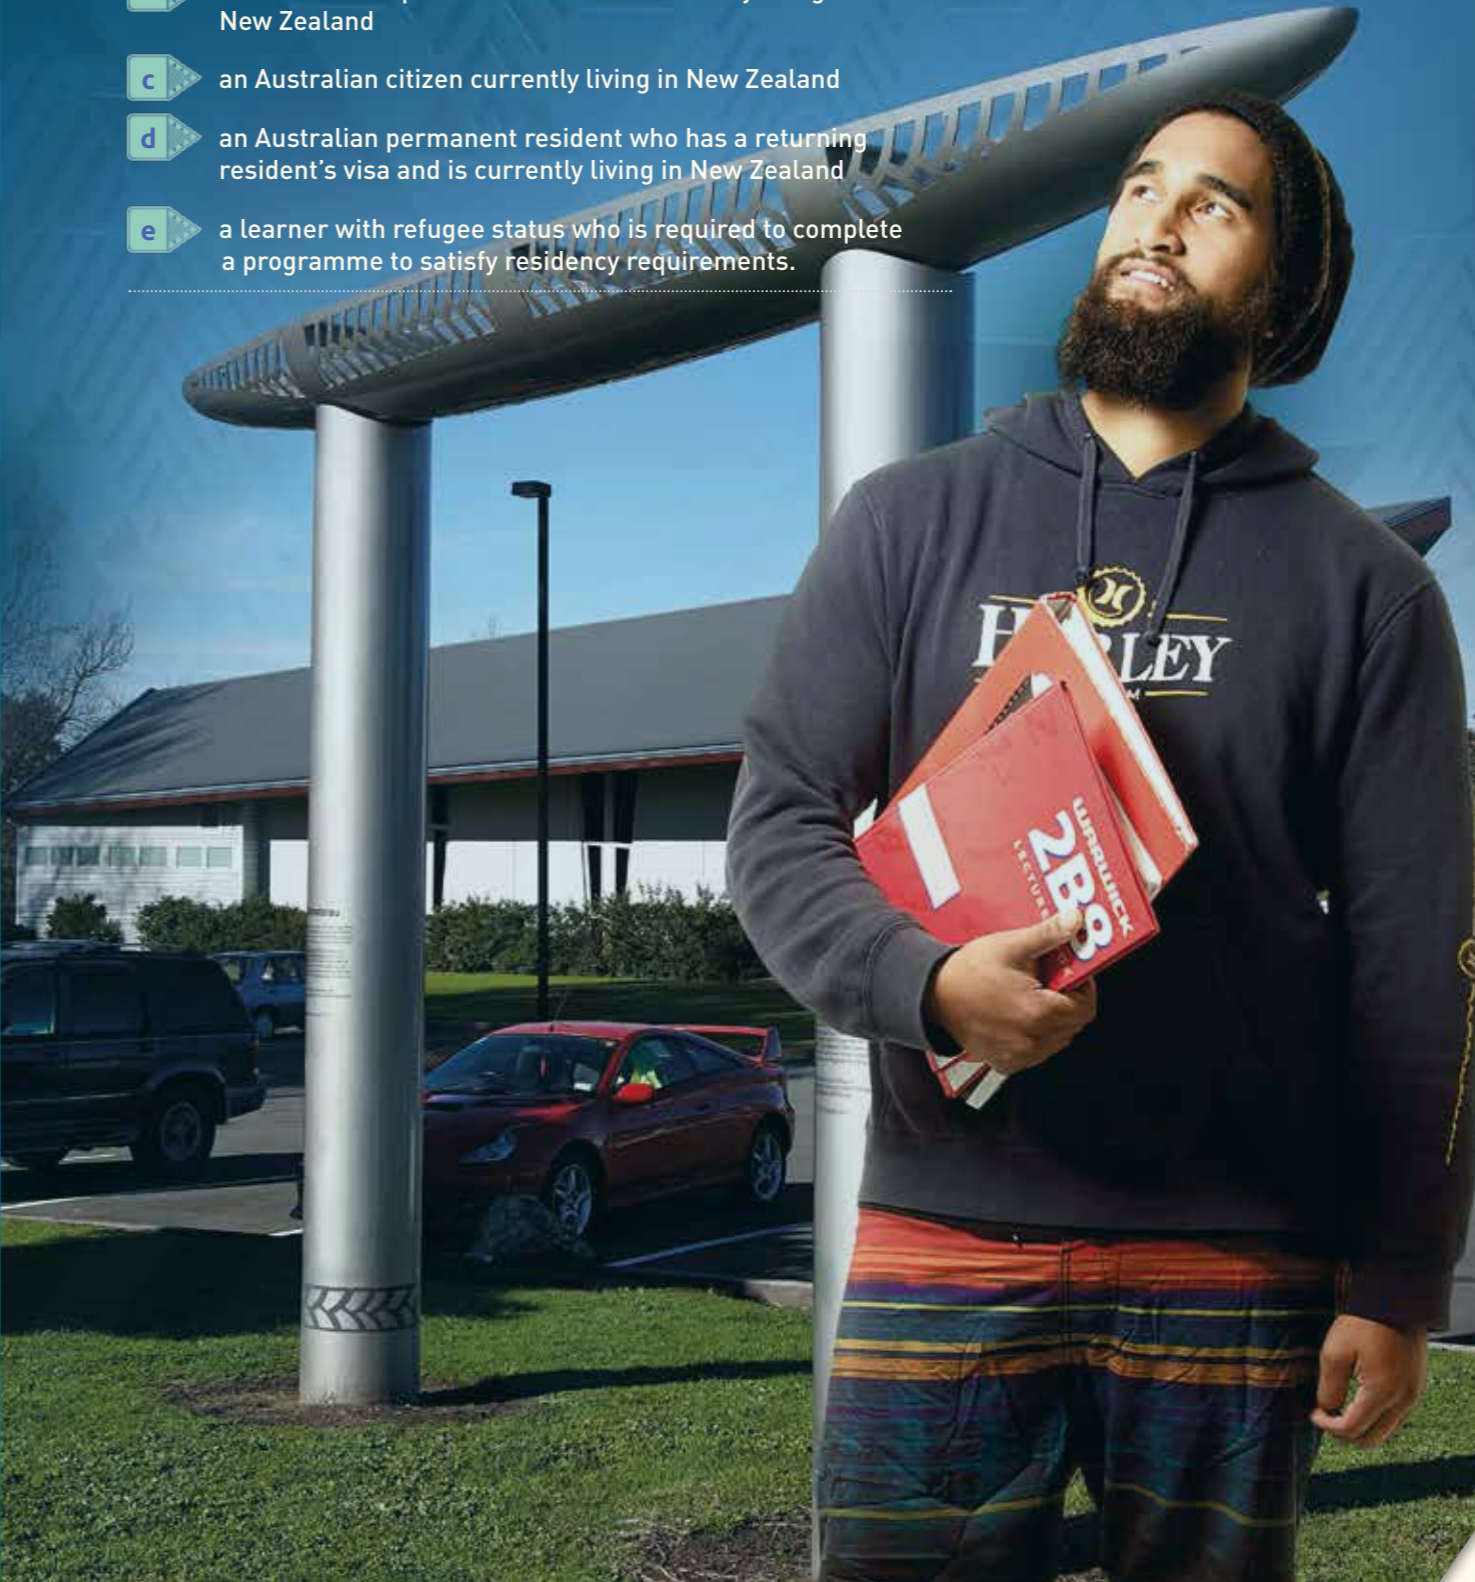

<sup>4</sup> Te Wānanga o Aotearoa offers degrees up to level 9 only.

For more information about qualifications, levels and credits, please visit [www.nzqa.govt.nz](http://www.nzqa.govt.nz)

WHO CAN ENROL?

In general, you need to be at least 16 years of age to enrol with us. You also need to be one of the following:

- a New Zealand citizen (which includes citizens of the Cook Islands, Niue and Tokelau)
- a New Zealand permanent resident currently living in New Zealand
- an Australian citizen currently living in New Zealand
- an Australian permanent resident who has a returning resident's visa and is currently living in New Zealand
- a learner with refugee status who is required to complete a programme to satisfy residency requirements.

# MĀTĀTAHI MATAORA

## YOUTH SERVICES

## MĀTĀTAHI MATAORA YOUTH SERVICES

### TAI WĀNANGA

Tai Wānanga provides a unique teaching and learning model offering a combination of NCEA and tertiary qualifications to rangatahi (youth).

Tai Wānanga is a secondary school delivering education within a unique Māori environment. It provides an inclusive, interactive and nurturing learning experience that ensures health in body, mind and spirit.

#### ETHOS

We believe learning comes alive when it's purposeful, it feeds passions and it validates culture and identity.

*'Giving life to learning and purpose to life'*

#### '3D' LEARNING

Our rangatahi:

- design their own learning pathways - individual tailored learning
- dare to dream and believe in themselves - restore self-belief
- deliver on their goals - experience the thrill of success.

#### OUR VISION

Our rangatahi will:

- Kia Tū - stand with confidence
- Kia Ora - be healthy in mind, body and spirit
- Kia Māori - exemplify Māori succeeding as Māori.

#### OUR MISSION

To empower rangatahi to achieve, contribute and lead in the advancement of Māori.

#### TAI WĀNANGA TŪ TOA KI PAPAIŌEA (PALMERSTON NORTH)

Located on the Hoko-whitu campus of Massey University, Tū Toa seeks to build excellence in sport and education within a Māori context. The three main aims are:

1. to develop athletes to play at the highest level
2. to operate a school where academic excellence and sporting accomplishment are jointly fostered
3. to enhance rangatahi well-being through Māori values.

#### TAI WĀNANGA KI RUAKURA (HAMILTON)

Located at the Ruakura Research Centre, Tai Wānanga ki Ruakura seeks to build excellence in discovery, technology and innovation.

For more information on Tai Wānanga contact [www.taiwananga.co.nz](http://www.taiwananga.co.nz)

### TAIKĀKĀ ALTERNATIVE EDUCATION

*"RUIA TAITEA, KIA TŪ KO TAIKĀKĀ ANAKE"*

*"Cast aside the sapwood and let the heartwood stand alone"*

Taikākā is an alternative education programme currently delivered in Tainui rohe. It is for 13-16 year olds who have been referred to us by contracted secondary schools. Unfortunately, we are not able to accept enrolments or referrals from other agencies.

Each rangatahi enrolled with Taikākā develops an individual learning plan and attends flexible programmes designed around their needs. Programmes are delivered from Monday to Friday.

Rangatahi who complete Taikākā are reintegrated with the secondary schooling system or enrolled on Youth Guarantee.

## STAR OUR PHILOSOPHY

If you're still at school but want to find out more about your study options once you leave, our STAR programmes are for you. STAR offers a chance to find out what it's like to study at Te Wānanga o Aotearoa while you learn some great skills and gain credits towards NCEA.

Start out with our Ākina programme to get a broad introduction and then move on to study in an area of your choice. This might include finding out more about Māori art, taking a look at Māori culture and history, or finding out what it's like to be a police officer.

All of our courses are grounded in āhuatanga Māori (Māori tradition) and tikanga Māori (Māori custom). When you're studying with us, you'll have access to some great learning resources and to our student support team.

Become part of the whānau of Te Wānanga o Aotearoa and start on a path towards a great future.

### STAR ĀKINA

Ākina provides you with an open day during which you can explore your future study options with Te Wānanga o Aotearoa. The day is built on a range of fun and engaging events designed to give you a taste of what it's like to study with us.

### STAR WHAKAIRO, MĀORI ART DESIGN AND MĀORI ART DRAWING TECHNIQUES

Explore the ancient patterns and designs used to create Māori art. During these courses, you'll get a chance to work with elements of whakairo, tāniko and kōwhaiwhai.

### STAR PŌWHIRI, ATUA AND HUIHUINGA

These courses give you a peek inside our Mauri Ora programme (refer to page 26). They look at aspects of Māori culture, as well as giving you a taste of the rich history of Aotearoa.

### STAR POLICE PREPARATION

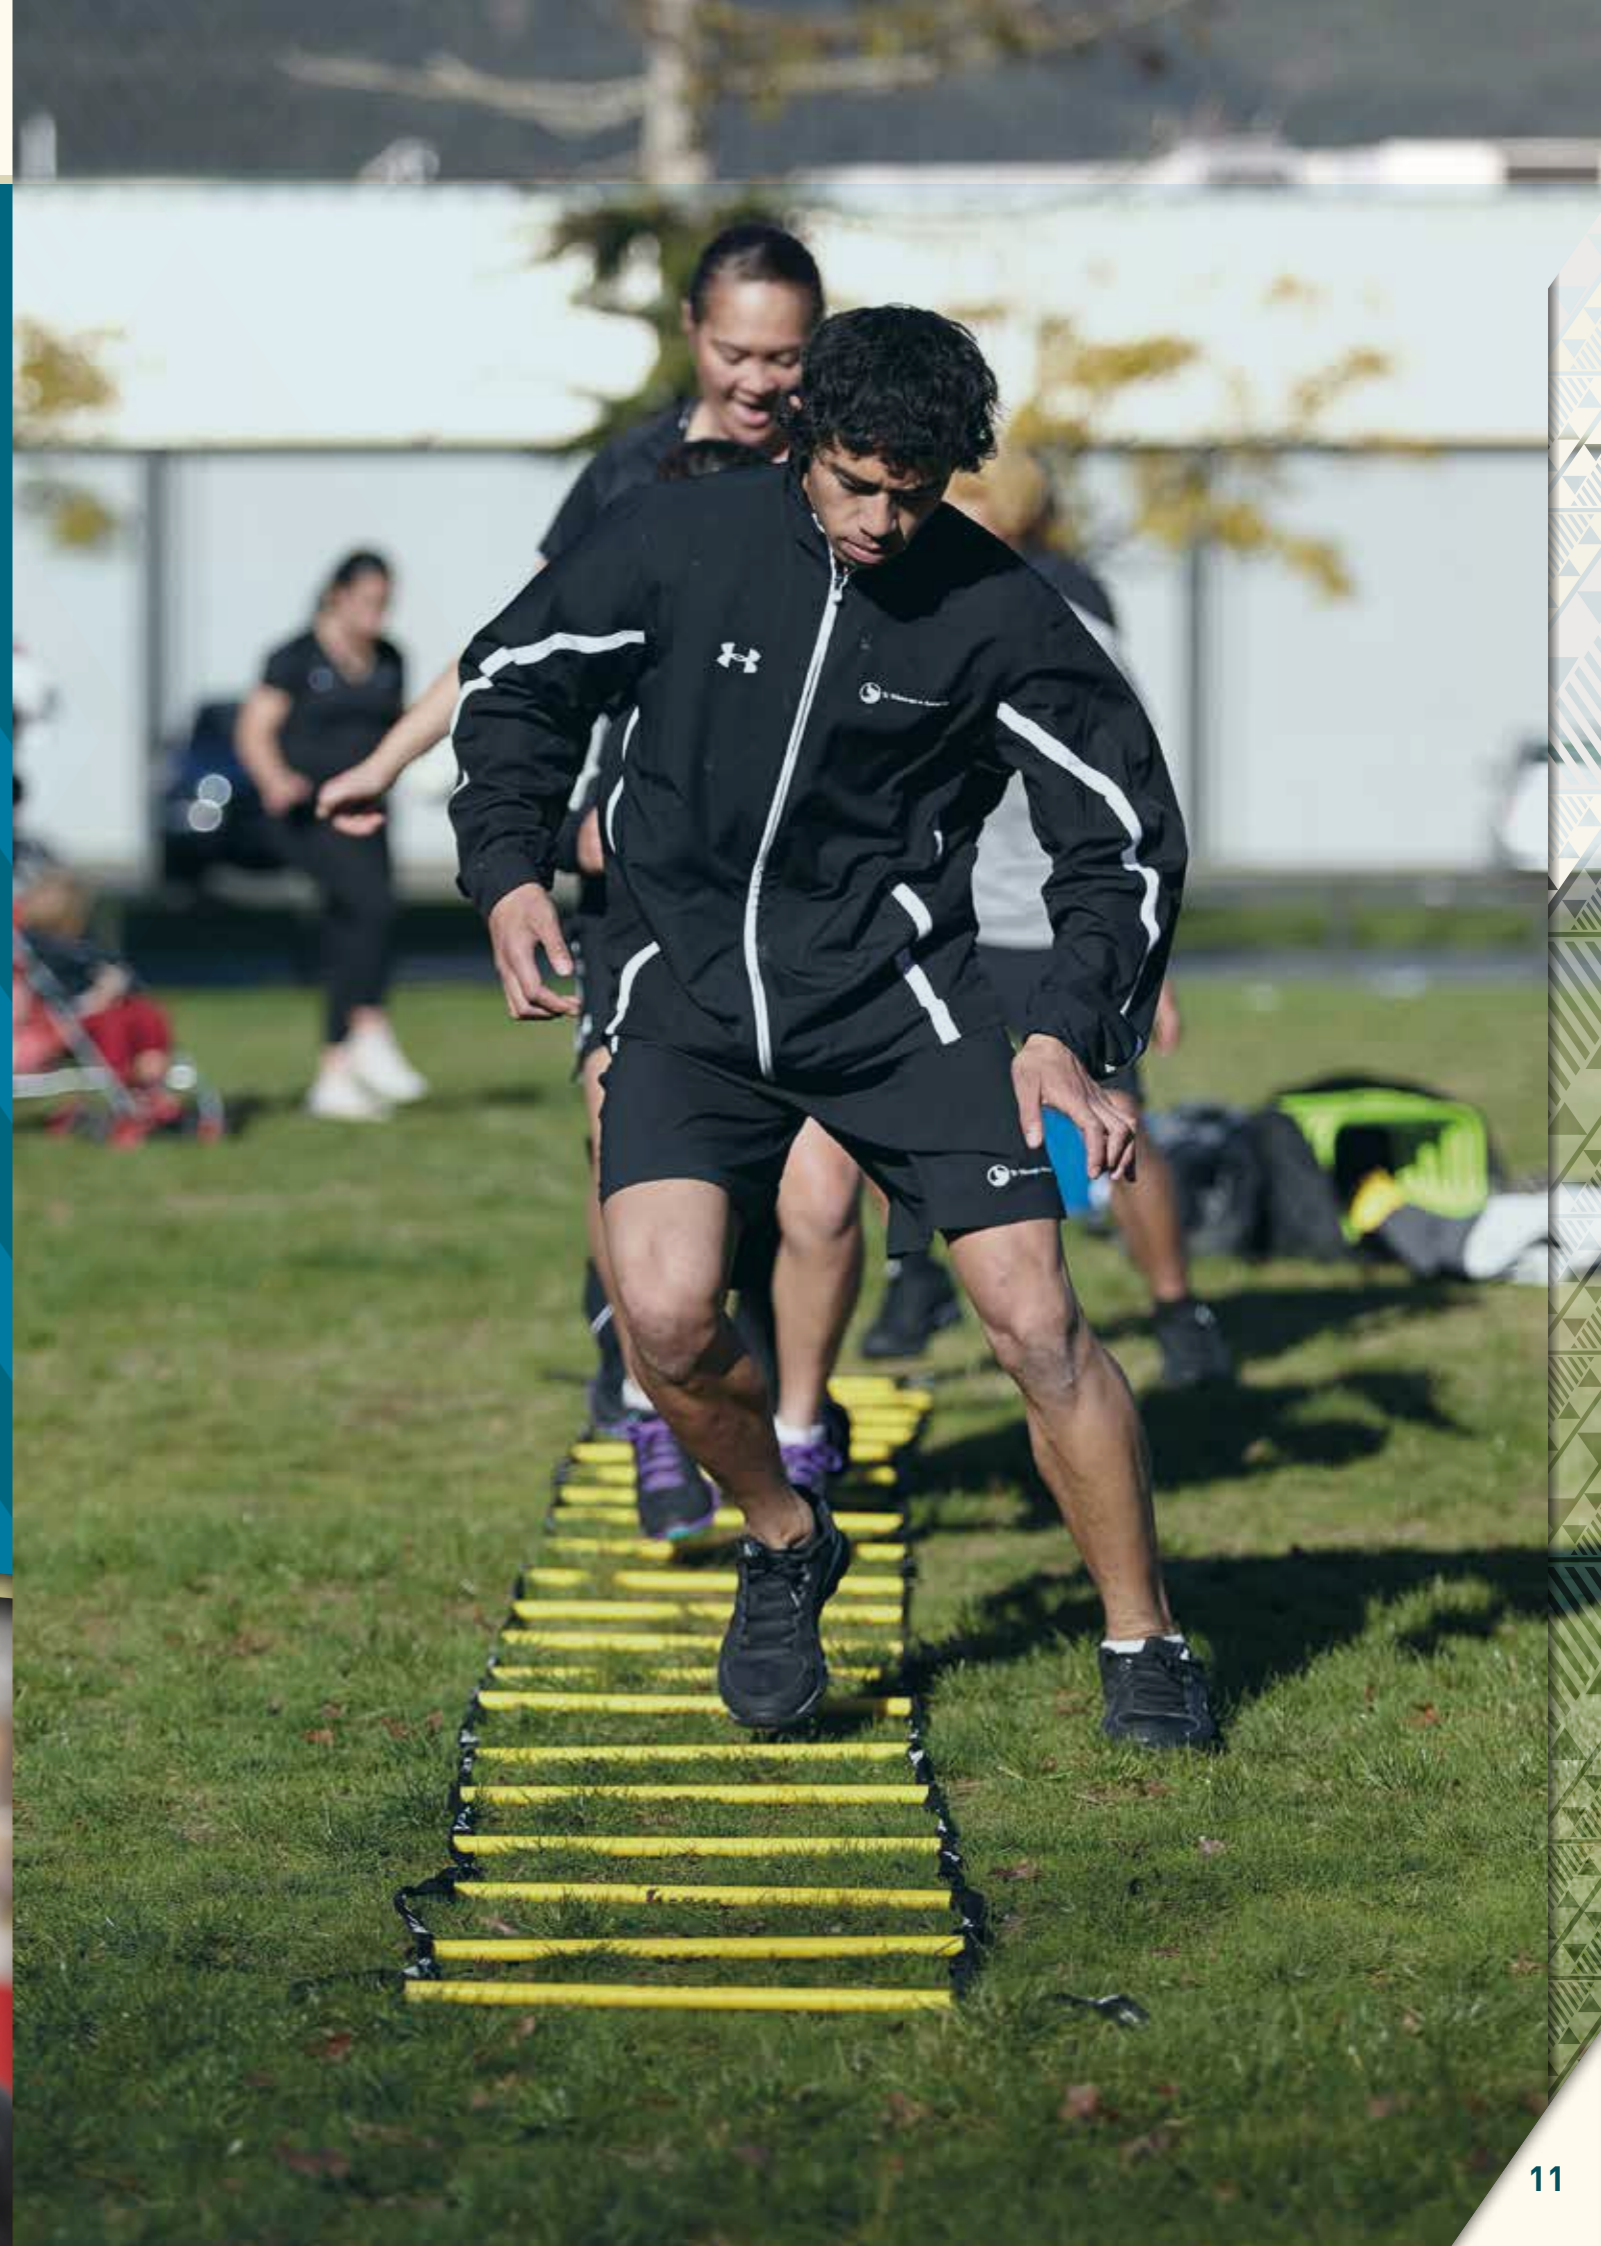

STAR Police Preparation is the starting point for a career as a New Zealand police officer or detective. This course can lead to a full programme at Te Wānanga o Aotearoa that will help prepare you for the tests you'll need to pass to get into New Zealand Police. Start preparing yourself for the tests now by enrolling on this course!

### OTHER STAR COURSES

Te Wānanga o Aotearoa has a large number of courses we could also offer. If you have a specific area of interest, get in touch and we'll check whether we have a course to suit your requirements.

### ✉ CONTACT US

For more information, or if you have any questions, email us at [star@twoa.ac.nz](mailto:star@twoa.ac.nz).

### WHAT IS YOUTH GUARANTEE?

Youth Guarantee courses are for rangatahi (young people) aged 16-19 years - they're for people who want to explore their future work and study options; they're for people who want to learn practical skills that are valued by employers; and they're for people who want work experience to help them get a job.

When you join our whānau at Te Wānanga o Aotearoa, you'll join a group of people who have similar interests. Throughout your learning, you'll work with your classmates as a team and help each other to advance.

We're connected with iwi throughout the country and we work with whānau to help rangatahi achieve success. Kotahitanga (unity) is big with us, so we'll do everything we can to make sure no one gets left behind.

### WHAT IS A VOCATIONAL PATHWAY?

Youth Guarantee courses are designed to start you on one of six vocational pathways. These are:

- creative industries
- primary industries
- service industries
- social and community services
- manufacturing and technology
- construction and infrastructure.

You can find out more about vocational pathways at: <http://youthguarantee.net.nz/vocational-pathways/>

### HOW IS YOUTH GUARANTEE DIFFERENT FROM SCHOOL?

When you study on Youth Guarantee, you'll work with great tutors. You'll get access to awesome resources and you'll study at a campus that's grounded in te ao Māori.

Throughout your study, you'll be treated as an adult. You'll be responsible for your studies, but we'll help you make the leap from school to tertiary level study. In short, you'll be moving into the next exciting phase of your life as the world opens up to you.

### WHO CAN DO YOUTH GUARANTEE?

Youth Guarantee is for New Zealand citizens and permanent residents. Courses are offered to rangatahi aged 16-19 years. However, rangatahi aged 15 years with a leaving certificate from their school may also be able to enrol. Talk to us about what's required for this.

### HOW MUCH DOES IT COST?

Youth Guarantee programmes do not have any fees.

### WHAT WILL MY STUDY LOOK LIKE?

You'll need to come to class every day, but you won't spend all your time in a classroom. As much as possible, we'll try to get you learning new skills on the job. This means finding a workplace where you can get practical skills while you learn the theory. We'll also get out and about in your local community, meeting people and helping out in places where we can get new skills.

### WHAT CERTIFICATES WILL I GET?

When you study on Youth Guarantee, you'll complete NCEA Level 2 as part of your learning. You'll also get a certificate that is relevant to your chosen field of work.

Some of our courses combine a National Certificate in Employment Skills. If you're on one of these courses, you could finish your course with three certificates.

### WHAT HAPPENS WHEN I FINISH MY YOUTH GUARANTEE COURSE?

Once you finish your Youth Guarantee course, you'll have a choice to make. You may want to continue with your studies, or you could head out to find a job. Get online and have a look at some of the careers your vocational pathway may lead to:

<http://youthguarantee.net.nz/vocational-pathways/>

### QUICK FACTS

DURATION:	START DATE:	FEES:
36 weeks	MARCH (Semester A)	NO FEES

### HOW CAN I FIND OUT MORE?

If you'd like to find out more about Youth Guarantee, email us at [youth@twoa.ac.nz](mailto:youth@twoa.ac.nz) or call 0800 355 553.

### Programme overview

A career in farming combines a love of being outdoors with a desire to care for the land. If this is you, our Vocational Pathway Package in agriculture will give you direct work experience on a working farm. Aside from learning to drive a tractor, a ute, a quad bike and a motorbike, you'll learn how to use a range of tools to complete common farming tasks.

Throughout this course, we'll support you to achieve success. Our work experience farms are iwi or whānau-based wherever possible, and they're carefully selected to support you to succeed. During this course, we'll help you complete a learning plan that will give you plenty of options for work or further education.

### Course certificates

When you complete this course you'll receive NCEA Level 2 plus the National Certificate in Agriculture - General Skills (Level 2) and the National Certificate in Employment Skills (Level 1).

### Career pathway

This course is the start of the Primary Industries Vocational Pathway. Jobs in this pathway include:

- general farm hand
- sheep farmer
- cattle farmer
- deer farmer
- sharemilker
- rural contractor and many more.

Note: You may need to do further study to work in some of these jobs.

### Programme overview

If you love travel, the tourism industry is where you need to be. This exciting industry is set to grow in the future and it's a great place to be if you want to travel the world.

On our Vocational Pathway Package tourism course, you'll learn about the tourism industry - both in Aotearoa New Zealand and internationally. You'll find out about tourist destinations, tourism businesses, types of tourists and a range of roles within tourism. While you're with us, we'll also help you create a learning plan that will show you a path you can take to get qualified in this industry.

### Course certificates

When you complete this course you'll receive NCEA Level 2 plus the National Certificate in Tourism (Level 2) and the National Certificate in Employment Skills (Level 1).

### Career pathway

This course is the start of the Services Industries Pathway. Jobs in this pathway include:

- tourism operator
- travel agent
- tour guide
- retail assistant and many more.

Note: You may need to do further study to work in some of these jobs.

### Programme overview

Launch your career with our Vocational Pathway Package in fitness, and make fitness and well-being a way of life.

Our practical course gives you a basic introduction to the fitness industry as well as work experience at a gym. You'll learn how to manage your own fitness while you help others with their exercise goals. You'll learn about nutrition and how it affects health. You'll also learn the right way to exercise to make sure everyone stays safe.

If you continue on this learning pathway, you'll learn a wide range of skills that could potentially get you a job anywhere in the world.

### Course certificates

When you complete this course you'll receive NCEA Level 2 plus the National Certificate in Fitness – Foundation Skills (Level 2).

### Career pathway

This course is the start of the Services Industries Pathway. Jobs in this pathway vary widely and include:

- gym instructor or personal trainer
- sports facilitator or coach
- fitness leader
- professional athlete
- school sports coordinator
- community sport and recreation officer
- coach, trainer or sports administrator and many more.

Note: You may need to do further study to work in some of these jobs.

### Programme overview

If you enjoy supporting and caring for people in need, our Vocational Pathway Package health and disability support course is for you.

This practical course will start you on the road to becoming a qualified support worker and give you the skills to care for others while making sure that you look after your own health.

During this course, you'll learn how to manage people's physical and healthcare needs. You'll learn a range of skills that will help you work effectively with people in aged care, health or disability settings. You'll also learn the administration skills you need for this industry.

### Course certificates

When you complete this course, you'll receive NCEA Level 2 plus the National Certificate in Health, Disability, and Aged Support – Foundation Skills (Level 2) and the National Certificate in Employment Skills (Level 1).

### Career pathway

This course is the start of the Social and Community Services Industries Pathway. Jobs in this pathway include:

- health and disability support worker
- residential care worker
- community support worker
- home-based support worker
- hospital and social support worker
- nurse
- midwife and many more.

Note: You may need to do further study to work in some of these jobs.

\*Pending NZQA approval

### Programme overview

Jump straight into the world of multimedia computing with this essential introductory course.

In this multimedia Vocational Pathway Package, you'll learn to use all the basic applications you'll need in a small business. You'll learn how to create websites, produce desktop published documents and produce electronic presentations. You'll also learn how to prepare information from spread-sheets and databases for insertion into text documents.

While you're with us, we'll help you create a learning plan that will show you the path you can take to get qualified in whatever area you choose.

### Course certificates

When you complete this course, you'll receive NCEA Level 2 plus the National Certificate in Computing (Level 2) and the National Certificate in Employment Skills (Level 1).

### Career pathway

This course is the start of the Creative Industries Pathway. Jobs in this pathway include:

- office administrator
- multimedia and/or web designer
- database administrator
- computer technician
- application support administrator and many more.

Note: You may need to do further study to work in some of these jobs.

### Programme overview

We all know it's hard to get a job without experience and hard to get experience without a job. Put all that behind you with our Vocational Pathway Package retail course and get the skills you need to be more competitive in the retail job market.

Our practical retail course will give you essential work experience in retail. You'll learn about buying and selling in the retail industry and about distribution. We'll also share important information about theft and fraud as well as essential health and safety practices. You'll complete your training by learning the administrative skills you'll need to help you get a job.

### Course certificates

When you complete this course you'll receive NCEA Level 2 plus the National Certificate in Retail (Level 2) and the National Certificate in Employment Skills (Level 1).

### Career pathway

This course is the start of the Services Industries Pathway. Jobs in this pathway include:

- retail assistant
- sales assistant
- buyer
- merchandise planner
- visual merchandiser
- sales representative and many more.

Note: You may need to do further study to work in some of these jobs.

### Programme overview

Current shortages of qualified building and construction tradespeople means that now is the perfect time to start an apprenticeship in these trades.

Our Vocational Pathway Package construction course will show you the basics of the carpentry and concrete industries. You'll learn the skills you need to get you into an apprenticeship or a job in the building, construction and allied trades. Once you've completed your apprenticeship, you'll be able to build your own house or help look after the housing needs of kaumātua back at your marae.

### Course certificates

When you complete this course you'll receive NCEA Level 2 plus the National Certificate in Building, Construction, and Allied Trades Skills (Level 2) and the National Certificate in Employment Skills (Level 1).

### Career pathway

This course is the start of the Construction & Infrastructure Vocational Pathway. Jobs in this pathway include:

- apprentice carpenter or joiner
- labourer or hammer hand
- builder, electrician or plumber
- brick/block layer
- plasterer
- roofer and many more.

Note: You may need to do further study to work in some of these jobs.

### Programme overview

Improve your reading, writing and number skills through e-learning. Read more, write more and deal to those everyday numbers.

### Entry criteria

For successful enrolment, you must not have a tertiary qualification higher than level 1.

### How you'll study

Papa Kupu is:

- a nine month programme
- home based
- technology based
- fee free
- part time (study when you like)
- NZQA approved.

### What you'll receive

When you study Papa Kupu, you'll receive:

- confidence in basic reading, writing and number skills
- resources, like apps, videos and games
- support from a kaitiaki (support person)
- the Certificate in Adult Learning Skills on successful completion.

### Pathway

Skills gained in this programme will make your everyday life easier and give you more confidence with words and numbers.

When you're confident with your reading, writing and number skills, you may like to further your studies through another programme in this prospectus.

### Programme overview

If you want to take your learning to the next level, get yourself prepared with Papa Ako. You'll gain confidence in your own abilities as you improve your study methods and learn techniques that are right for you. Enrol soon as there are limited monthly enrolments.

### Entry criteria

For successful enrolment, you must not have a tertiary qualification higher than level 1.

### How you'll study

Papa Ako is:

- a nine month programme
- home based
- supported learning with a kaitiaki (support person)
- part time (study when you like)
- fee free.

### What you'll receive

When you study Papa Ako, you'll receive:

- three kete (kits) full of exciting learning resources, such as CDs, DVDs and books
- helpful study techniques
- ideas and tips about research skills
- confidence to begin the next level of learning
- flexibility in your learning (Papa Ako can fit around any lifestyle)
- the Certificate in Papa Ako - Learning to Learn on successful completion.

### Pathway

Papa Ako can lead to any higher level programme in any subject area.

We recommend you consider enrolling in a level 2 programme once you've successfully completed Papa Ako.

### Programme overview

Mauri Ora is a unique, home based programme for anyone wanting to understand Māori culture and learn more about Aotearoa New Zealand history. As well as learning about key historical events, Mauri Ora will help increase your cultural awareness and, for Māori, affirm a sense of belonging and heritage.

Enrol soon as there are limited monthly enrolments.

### Entry criteria

For successful enrolment, you must not have a tertiary qualification higher than level 1.

### How you'll study

Mauri Ora is:

- a 12 month programme
- home based
- supported by a kaitiaki (support person)
- part time (study when you like)
- fee free.

### What you'll receive

When you study Mauri Ora, you'll receive:

- an amazing variety of learning resources, such as DVDs, books and CDs
- a greater understanding of Māori culture (including pōwhiri, tangihanga, hui and more)
- knowledge of Aotearoa New Zealand history (including the Treaty of Waitangi, the Declaration of Independence, colonisation, etc.)
- the National Certificate in Māori - Te Waharoa on successful completion.

### Pathway

Mauri Ora can lead to any higher level programme in any subject area. We recommend you enrol in a level 3 programme once you've successfully completed Mauri Ora. If you wish to continue studying with us, this could be He Papa Tikanga - Certificate in Tikanga Māori (Level 3).

### Programme overview

He Papa Tikanga will develop your understanding and appreciation of Māori world views, values and beliefs, and how these function within Aotearoa New Zealand. He Papa Tikanga also looks at how to apply these concepts in your home, your workplace and your community.

Enrol soon as there are limited monthly enrolments.

### Entry criteria

For successful enrolment, you'll need to:

- have no tertiary qualification higher than level 1
- be at least 18 years old
- have successfully completed Mauri Ora - National Certificate in Māori - Te Waharoa (Level 2)
- hold a level 2 qualification.

### How you'll study

He Papa Tikanga is:

- a 12 month programme
- home based
- supported by a kaitiaki (support person)
- part time (study when you like)
- fee free.

### What you'll receive

When you study He Papa Tikanga, you'll receive:

- an exciting variety of learning resources, such as books, journals, CDs and DVDs
- a greater awareness of Te Ao Māori (the Māori world), including values and belief systems, practices, protocols and philosophies
- understanding of tikanga Māori (the Māori way of doing things) and basic te reo Māori (Māori language)
- on successful completion, the Certificate in Tikanga Māori.

### Pathway

Pathway options for this programme may include:

- Certificate in Te Arataki Manu Kōrero (Level 4)
- Certificate in Tikanga Marae (Level 4)
- Certificate in Māori Performing Arts (Level 4).

## Programme overview

If you want to improve your English speaking, listening, reading and writing, study with us and learn the language skills that will help you fit into New Zealand society.

With five levels available, from beginner (foundation) through to intermediate (level 4), these programmes will help you build your word base while you learn how to apply English in real-world settings.

While you are studying with us, you will also learn about the Māori culture and some of the customs that are part of life in New Zealand.

## Entry details

To enrol, you will need to:

- attend an interview
- successfully complete a pre-entry assessment
- meet the entry requirements of each level in terms of English language ability.

## How you'll study

These programmes are classroom based (face-to-face learning). In class, you will work as a class group as well as in smaller groups, in pairs and on your own. Your tutor will also give you tasks to complete between classes and guide you in this learning. The amount of study you do between classes will depend on the level of your programme.

To successfully complete each level, you will need to pass an assessment (based on NZQA levels 1 to 4).

## What you'll study

In these programmes, you will learn about reading, writing, speaking and understanding English. You will look at words and their meanings, grammar and punctuation, formal and informal language, and common phrases and sayings.

## Pathway

After finishing these programme, you will have a greater understanding of the English language. You will also have greater confidence, motivation and passion for communicating in English, and you will be able to take part more fully in life in your new home country.

New Zealand Certificates in English Language are nationally-recognised qualifications. This means they provide a good pathway into further study at Te Wānanga o Aotearoa or another tertiary provider. When you pass level 3, you will satisfy the English language entry requirements for a range of certificate level programmes. When you pass level 4, you will be eligible to enter selected diploma and degree qualifications.

In levels 3 and 4 of this programme, you can choose whether you want to focus on general English, English for the workplace or English for academic purposes. These levels also include academic writing and study skills.

## Career pathway

Skills gained in these programmes will help you gain employment in New Zealand.

\*[Levels 3 and 4 currently pending NZQA approval]

# TE REO RANGATIRA

## MĀORI LANGUAGE

## TE REO RANGATIRA

### MĀORI LANGUAGE

PROGRAMME	LEVEL	PAGE
Certificate in Te Ara Reo Māori	Level 2	32
Certificate in Te Ara Reo Māori	Level 4	33
Certificate in Te Pūtaketanga o te Reo	Level 4	34
Diploma in Te Ara Reo Māori	Level 5	35
Diploma in Te Aupikitanga ki te Reo Kairangi	Level 6	36
Diploma in Te Pinakitanga ki te Reo Kairangi	Level 7	37
Bachelor of Māori Advancement - (Te Paritūtanga o te Reo)	Level 7	38

### Programme overview

Take your use of the Māori language beyond 'Kia ora!' Learn to speak basic conversational reo Māori confidently, and learn about Māori customs and protocols in traditional and modern contexts.

Te Ara Reo Māori is designed for adult learners and uses a unique learning style called 'Ako Whakatere' (accelerated learning). Classes and tutorials are friendly, interactive and fun.

### Entry criteria

To enrol, you'll need to attend an interview with a tutor.

### How you'll study

This programme involves a mix of study activities, including face-to-face learning, group work, tutorials, self-directed learning and directed study. You'll need to:

- attend four 1-day wānanga
- attend one noho marae
- attend tutorials
- complete a set amount of study in your own time.

### What you'll study

You'll learn about:

- basic phrases you can apply in everyday situations
- living in Aotearoa New Zealand
- whakapapa (genealogy and cultural identity)
- mihi (formal and informal greetings)
- wāhi (locality)
- how to tell the time in Māori
- how to describe travelling around - how you travel, where you go
- Māori customs and protocols.

### Pathway

Pathway options for this programme include:

- Certificate in Te Ara Reo Māori (Level 4)
- Certificate in Tikanga Māori (Level 3)
- Certificate in Te Pūtaketanga o Te Reo (Level 4).

### Career pathway

Skills gained in this programme may help you prepare for a career in Māori organisations and communities, in the Māori health sector or in the education sector as:

- a kōhanga reo assistant
- a personal assistant
- an administrative assistant.

### Programme overview

Develop your conversational Māori language skills at an intermediate level and increase your knowledge of tikanga Māori in traditional and modern contexts. This programme builds on the skills and knowledge developed in the Certificate in Te Ara Reo Māori (Level 2).

Te Ara Reo Māori is designed for adult learners and uses a unique learning style called 'Ako Whakatere' (accelerated learning). Classes and tutorials are friendly, interactive and fun.

### Entry criteria

To enrol, you'll need to:

- attend an interview, and
- have successfully completed the Certificate in Te Ara Reo Māori (Level 2), or
- successfully complete a pre-entry assessment.

### How you'll study

This programme involves a mix of study activities, including face-to-face learning, group work, tutorials, self-directed learning and directed study. You'll need to:

- attend four 1-day wānanga
- attend one noho marae
- attend tutorials
- complete a set amount of study in your own time.

### What you'll study

You'll learn about:

- advanced sentence structures used in a variety of contexts
- reremahi (active sentences)
- whakakāhoretanga (negatives)
- rerehāngū (passive sentences and instructions)
- he aha ki tua (future events)
- 'a' and 'o' categories
- itemising, comparing and degrees of quality.

### Pathway

Pathway options for this programme include:

- Certificate in Te Pūtaketanga o te Reo (Level 4)
- Diploma in Te Ara Reo Māori (Level 5).

### Career pathway

Skills gained in this programme may help prepare you for a career in Māori organisations and communities, in the Māori health sector or in the education sector as:

- a kaiako or kaiāwhina in a kōhanga reo, kura kaupapa, or wharekura
- a personal assistant
- an administrative assistant.

### Programme overview

Surround yourself with te reo Māori with this total immersion Māori language programme - it's the fastest way to learn.

This programme focuses on developing written and verbal language skills, but has a special emphasis on kōrero (speaking the language). Flexible study options enable you to fit your study around your other commitments.

### Entry criteria

To enrol, you'll need to attend an interview.

### How you'll study

This programme offers two delivery options:

1. The noho marae option provides monthly noho in a total immersion environment. This is generally the preferred option if you're employed and will usually be delivered from Friday to Sunday. Also included in this option is one evening tutorial per week.
2. The daily delivery option has been designed for those who prefer day-to-day contact in a total immersion environment, usually from Monday to Thursday.

### What you'll study

You'll learn about:

- tōku whakapapa
- tōku whānau
- tōku tūrangawaewae
- tōku reo.

### Pathway

Pathway options for this programme include:

- Diploma in Te Ara Reo Māori (Level 5)
- Diploma in Te Aupikitanga ki te Reo Kairangi (Level 6)
- Te Mana Ao Tūroa (Taiao) - Bachelor in Māori Advancement (Level 7)
- Bachelor of Māori Advancement (Te Paritūtanga o te Reo) (Level 7).

### Career pathway

Skills gained in this programme may help you prepare for a career in Māori organisations and communities, in the Māori health sector or in the education sector as:

- a kaiako or kaiāwhina in kōhanga reo, kura kaupapa, or wharekura
- a personal assistant
- an administrative assistant
- a cultural advisor.

### Programme overview

The Diploma in Te Ara Reo Māori will help you develop your skills in te reo to an intermediate level and give you confidence to speak and write the language. You'll also gain intermediate-level knowledge of tikanga Māori in traditional and modern contexts.

This programme is for adult learners and uses a unique learning style called 'Ako Whakatere' (accelerated learning). Classes and tutorials are friendly, interactive and fun.

### Entry criteria

To enrol, you'll need to:

- attend an interview, and
- hold a te reo qualification at level 4, or
- successfully complete a pre-entry test.

### What you'll study

You'll learn about:

- intermediate-level conversational te reo Māori
- intermediate-level tikanga Māori in traditional and modern contexts.

### How you'll study

This programme is delivered through a combination of directed and self-directed learning activities. These include tutorials, on-site and/or marae-based noho, as well as completion of a set amount of study and other activities in your own time.

### Pathway

Pathway options for this programme include the Diploma in Te Aupikitanga ki te Reo Kairangi (Level 6). This programme may also lead to undergraduate degrees (majoring in te reo Māori or with a te reo Māori or tikanga Māori focus) offered by other tertiary organisations.

### Career pathway

Skills gained in this programme may help you prepare for a career in Māori organisations and communities, in the Māori health sector or in the education sector as:

- a kaiako in kōhanga reo, kura kaupapa or wharekura
- a personal assistant
- a specialist expert in areas of tikanga Māori, mātauranga Māori and āhuatanga Māori
- an iwi/hapū leader
- a translator.

## Programme overview

Te Aupikitanga will help you develop intermediate-level skills in te reo Māori and tikanga Māori.

This total immersion programme will help you consolidate your knowledge. It will also help you build comprehensive structures that will give you the confidence to use te reo Māori in a wide range of contexts. The skills you learn will increase your employment options and open up opportunities for higher level study, either with Te Wānanga o Aotearoa or with another institution.

## Entry criteria

To enrol, you'll need to:

- attend an interview, and
- hold a reo (total immersion) qualification at level 5, or
- successfully complete a pre-entry assessment.

## How you'll study

The programme offers two delivery options:

1. The noho marae option provides a monthly noho in a total immersion environment. This is generally the preferred option if you're employed and will usually be delivered from Friday to Sunday. Also included in this option is one evening tutorial per week.
2. The daily delivery option provides for those who prefer day-to-day contact in a total immersion environment, usually from Monday to Thursday.

## What you'll study

You'll learn about:

- ngā āhuatanga o te reo - using grammar and a wide range of grammatical structures within te reo Māori

- whakamāori/whakapākehā - producing accurate translations of selected text from English to te reo Māori and from te reo Māori to English
- te orokohanga o te ao Māori - identifying and discussing various versions of the creation stories
- kupu whakaniko - accurately identifying, interpreting and using metaphorical language
- te hekenga mai o ngā waka - discussing various aspects of the great migration from Hawaiki to Aotearoa
- aroā - comprehensively examining and interpreting selected texts
- te marae - identifying and articulating the significance of marae and the roles and responsibilities of people in a marae setting
- waiata/haka - examining specialised knowledge through exploration and practice of traditional waiata and haka.

## Pathway

Pathway options for this programme include the Diploma in Te Pīnakitanga ki te Reo Kairangi (Level 7).

## Career pathway

Skills gained in this programme may help you prepare for a career in Māori organisations and communities, in the Māori health sector or in the education sector as:

- a kōhanga reo, kura kaupapa or wharekura kaiako
- a personal assistant
- a cultural advisor
- an iwi/hapū leader
- a specialist/expert in areas of tikanga Māori, mātauranga Māori and āhuatanga Māori.

## Programme overview

This advanced total immersion Māori language programme will help you further develop your skills in te reo Māori and help you apply tikanga Māori across a wide range of contexts.

Building on the skills you learned in Te Aupikitanga at level 6, you'll further consolidate your knowledge and strengthen language structures to improve your confidence in a wide range of settings. Your learning will give you the skills required to help meet a great need in the public and private sectors of the workforce for people with knowledge and understanding of te reo and tikanga Māori.

## Entry criteria

To enrol, you'll need to:

- attend an interview, and
- hold a te reo (total immersion) qualification at level 6, and
- successfully complete a pre-entry assessment.

## How you'll study

This programme is delivered through a combination of directed and self-directed learning activities. These include tutorials, on-site noho and/or marae-based noho, as well as completion of a set amount of study and other activities in your own time.

## Pathway

Pathway options for this programme include:

- Te Panekiretanga o te Reo (by invitation)
- Bachelor of Māori Advancement (Te Paritūtanga o te Reo).

## What you'll study

You'll learn about:

- ngā āhuatanga o te reo - using grammar and a wide range of grammatical structures within te reo Māori
- whakamāori/whakapākehā - producing accurate translations of selected texts from English to te reo Māori and te reo Māori to English
- pūrākau/pakiwaitara - explaining and critically analysing the traditional and continuing role of stories and legends as knowledge frameworks
- ōpaki/ōkawa - applying knowledge of formal and informal language
- aroā - comprehensively examining and interpreting selected texts
- waiata/haka - applying specialised knowledge through exploration and practice of traditional waiata and haka
- karanga - researching and evaluating specific aspects of karanga and analysing the impact of karanga with changes over time
- whaikōrero - researching and evaluating specific aspects of whaikōrero with changes over time.

## Career pathway

Skills gained in this programme may help prepare you for a career in Māori organisations and communities, in the Māori health sector or in the education sector as:

- a kaiako in kōhanga reo, kura kaupapat or wharekura
- a personal assistant
- a specialist expert in areas of tikanga Māori, mātauranga Māori or āhuatanga Māori
- an iwi/hapū leader
- a translator.

### Programme overview

This degree is for people who can already speak te reo Māori at a basic level and want to consolidate their knowledge. While learning more advanced reo skills and solidifying your grammar, you'll explore social, historical and political issues with te reo as well as language revival issues to create your own vision of a way forward for our language.

When you graduate from this programme, you'll have the tools, strategies and understanding to make contributions of consequence to your iwi, hapū and whānau. You'll also have laid solid foundations for your own pathway towards becoming an ambassador for te reo Māori.

### Entry criteria

To enrol on this programme, you'll need to have:

- an NCEA Te Reo Rangatira qualification at level 2, or
- an NCEA Te Reo Māori qualification at level 3, or
- an equivalent te reo Māori qualification of 120 credits at level 4 or above.

You'll also need to attend a pre-enrolment interview and successfully complete a pre-entry assessment.

### How you'll study

Te Paritūtanga o te Reo is delivered using a variety of methods which may include:

- noho marae
- e-learning
- classroom-based learning
- wānanga and tutorials.

### What you'll study

Te Paritūtanga o te Reo combines Māori cultural principles and practices to explore te reo Māori through research and a commitment to excellence.

Programme options allow you to choose from four rohe-specific specialist areas of knowledge. These are:

- te whakawhiti reo (translation and interpretation)
- te reo haka (language of haka and waiata composition)
- he rautaki whakaako reo (language teaching strategies)
- te whakarauora reo (language regeneration).

Throughout, you'll be encouraged to engage with knowledge in a way that emphasises:

- taumata atakura (principled approaches underpinned by mātauranga Māori)
- kia tika (leadership)
- kia rere (engagement)
- kia māori (innovation).

### Pathway

After successfully completing this degree, you'll be eligible to pathway into:

- He Waka Hiringa – Master of Applied Indigenous Knowledge (Level 9)
- Te Panekiretanga o Te Reo (by invitation).

### Career pathway

This degree will provide you with the skills for a wide range of jobs where proficiency in te reo Māori and tikanga Māori are specifically required, including:

- a Māori language translator or interpreter
- a Māori language consultant or cultural advisor
- a kōhanga reo teacher
- a television producer
- a high level customer service representative.

## MĀORI & INDIGENOUS PEOPLE'S DEVELOPMENT

PROGRAMME	LEVEL	PAGE
Certificate in Tikanga Māori	Level 3	42
Certificate in Tikanga Marae	Level 4	43
Certificate in Indigenous Research	Level 4	44
Certificate in Te Arataki Manu Kōrero	Level 4	45
Diploma in Te Arataki Manu Kōrero	Level 5	46
Diploma in Māori Governance & Leadership	Level 6	47
Diploma in Iwi Marine & Freshwater Studies	Level 6	48
Te Mana Ao Tūroa (Taiao) - Bachelor of Māori Advancement	Level 7	49
He Waka Hiringa - Master of Applied Indigenous Knowledge	Level 9	50

### PATHWAY

### LEVEL

### Programme overview

The Certificate in Tikanga Māori will explore Māori world views, values and beliefs and how they function within Aotearoa New Zealand and international societies. This programme will also look at how to apply these concepts in your home, your workplace and your community.

### Entry criteria

To enrol, you'll need to attend an interview with one of our tutors.

### How you'll study

Tikanga Māori involves a mix of study activities that include face-to-face learning, group work, tutorials, self-directed study and/or directed study. The programme also includes five marae-based stays (noho marae).

### What you'll study

You'll learn about:

- whakawhānaungatanga and hapū/iwi development
- te reo Māori me ngā tikanga - introduction to language and protocols
- values and belief systems
- whakaaro Māori (thoughts) as expressed in ngā kōrero o neherā and whakataukī (stories, proverbs and songs, past and present)
- Aotearoa New Zealand worldviews, the influence of the media and the role of te ao Māori
- pōwhiri and whakatau
- contextual studies - tikanga Māori within a selected environment.

### Pathway

Pathway options for this programme include:

- Certificate in Tikanga Marae (Level 4)
- Certificate in Māori Performing Arts (Level 4)
- Certificate in Indigenous Research (Level 4).

### Career pathway

Skills gained in this programme will help you prepare for a career as:

- a worker within Māori organisations and communities
- a kōhanga reo assistant
- a personal assistant
- an administrative assistant.

### QUICK FACTS

DURATION:

**18**  
weeks

START DATES:

**MARCH**  
(Semester A)  
**JULY**  
(Semester B)

FEES:

**NO FEES**

### Programme overview

If you haven't been on a marae before, or if you want to connect with your marae, this programme will introduce you to key protocols and give you a taste of the rich culture that operates on marae across the country.

You'll study in a safe and fun learning environment while you learn the basic skills and introductory knowledge associated with marae culture and protocols. You'll also learn about the significance of marae as bastions of Māori culture and the effects of loss of language and culture on marae.

### Entry criteria

To enrol, you'll need to attend an interview with one of our tutors.

### How you'll study

Tikanga Marae involves a mix of study activities, including tutorials, self-directed learning and attendance at ten marae stays (noho marae).

### What you'll study

You'll learn about:

- cultural practices, protocols, leadership, operational management and social interaction occurring on marae
- cultural and operational activities held on marae while you develop your skills and confidence so you can join in
- opportunities for kaumātua to pass on marae cultural knowledge to younger generations.

### QUICK FACTS

DURATION:

**36**  
weeks

START DATES:

**MARCH**  
(Semester A)  
**JULY**  
(Semester B)

FEES:

**NO FEES**

### Pathway

Pathway options for this programme include:

- Certificate in Te Arataki Manu Korero (Level 4)
- Diploma in Te Ara Reo Māori (Level 5)
- Diploma in Māori Governance and Leadership (Level 6).

### Career pathway

Skills gained in Tikanga Marae may help you prepare for a career as:

- a teacher, instructor, assistant or worker within wharekura, kura kaupapa Māori or kōhanga reo
- a cultural advisor or assistant within tertiary institutions, government departments, museums and iwi authorities or organisations
- a support worker within Māori organisations and communities.

### Programme overview

Take a journey that explores Māori and indigenous research practices and learn to apply these practices in the Aotearoa New Zealand context.

The skills you learn in this programme will enable you to participate effectively in research activities and roles throughout Aotearoa New Zealand.

### Entry criteria

To enrol, you'll need to:

- attend an interview, and
- hold a level 3 qualification.

### How you'll study

This programme involves a mix of study activities, including face-to-face learning, group work, tutorials, self-directed study and/or directed study.

### What you'll study

You'll learn about:

- āhuetanga and tikanga Māori
- guiding research principles based on Māori and indigenous cultural aspects
- framing a research question
- applying appropriate research tools to answer a research question
- undertaking an indigenous research project from start to finish.

### Pathway

Pathway options for this programme include:

- Certificate in Te Arataki Manu Kōrero (Level 4)
- Diploma in Te Arataki Manu Kōrero (Level 5)
- Diploma in Iwi Marine & Freshwater Studies (Level 6)
- Diploma in Māori Governance & Leadership (Level 6)
- He Korowai Ākonga - Bachelor of Education (Primary Teaching) (Level 7)
- Te Tohu Paetahi ngā Whakarara Oranga - Bachelor of Social Work (Biculturalism in Practice) (Level 7)
- Te Mana Ao Tūroa (Taiao) - Bachelor of Māori Advancement (Level 7)
- He Waka Hiringa - Master of Applied Indigenous Knowledge (Level 9).

### Career pathway

Skills gained in this programme may help you prepare for a career in:

- social policy departments
- iwi, hapū, marae and whānau research activities
- community research.

### Programme overview

Ensure the knowledge and practices of your marae are handed on to those who will take your place in the future. Key topics in this programme include tikanga, kawa, karakia, whakapapa, whaikōrero, tauparapara, waiata and karanga.

Join this friendly, interactive and fun programme to learn about, practise and share Māori traditions that will strengthen the paepae on your marae. In the process, you'll gain a solid foundation of skills that will open a range of career options.

### Entry criteria

To enrol, you'll need to attend an interview with one of our tutors.

### How you'll study

This programme involves a mix of study activities, including face-to-face learning, group work, tutorials, self-directed study and/or directed study. You'll also need to attend eight marae stays (noho marae).

### What you'll study

You'll learn about:

- classic Māori history
- safe practices relating to ancient karakia and karanga Māori
- fundamental reo, kawa and tikanga aspects of Māori tradition
- promotion of whānau development and iwi awareness through marae-based events and activities
- aspects of te Tiriti o Waitangi (the Treaty of Waitangi).

### Pathway

Pathway options for this programme include the Diploma in Te Arataki Manu Kōrero (Level 5).

### Career pathway

Skills gained in this programme may help prepare you for career opportunities such as:

- a cultural advisor
- a counsellor
- a kaiako or kaiārahi within a range of Māori education options (total immersion, kura kaupapa Māori, wharekura and kōhanga reo)
- a specialist or expert in specific areas of tikanga Māori, mātauranga Māori or āhuetanga Māori.

### Programme overview

This programme builds on knowledge you gained in Te Arataki Manu Kōrero (Level 4) as you work towards strengthening the paepae on your marae.

As with the level 4 programme, you'll learn about, share and practise Māori traditions, including tikanga, kawa, karakia, whakapapa, whaikōrero, tauparapara, waiata and karanga. These skills are essential to ensuring this sacred knowledge is handed on to future generations that will eventually take up positions of responsibility on your marae.

Join us in a friendly, fun and interactive environment while you focus on learning practical Māori cultural knowledge and skills that will support your future career path.

### Entry criteria

To enrol, you'll need to:

- have successfully completed Te Arataki Manu Kōrero (Level 4), or
- successfully complete a pre-entry assessment, and
- attend an interview with one of our tutors.

### What you'll study

You'll learn about:

- classic Māori history
- safe practices relating to ancient karakia and karanga
- fundamental reo, kawa and tikanga aspects of Māori tradition
- promotion of whānau development and iwi awareness through marae-based events and activities
- aspects of te Tiriti o Waitangi (the Treaty of Waitangi).

### How you'll study

Te Arataki Manu Kōrero involves a mix of study activities, including face-to-face learning, group work, tutorials, self-directed study and/or directed study. You'll also need to attend eight marae stays (noho marae).

### Pathway

Pathway options for this programme include the Diploma in Māori Governance & Leadership (Level 6).

### Career pathway

Skills gained in Te Arataki Manu Kōrero may help you prepare for career opportunities such as:

- a cultural advisor
- a counsellor
- an iwi/hapū leader
- a kaiako or kaiārahi within a range of Māori education options (total immersion, kura kaupapa Māori, wharekura or kōhanga reo)
- a specialist or expert in specific areas of tikanga Māori, mātauranga Māori and āhuetanga Māori.

### Programme overview

If you're currently a trustee in a whānau, hapū or iwi trust, the Diploma in Māori Governance & Leadership will help you develop the skills you need to be effective in your role as a leader.

This programme will provide you with key concepts, values and āhuetanga Māori. This knowledge will provide you with a sound base on which you can build culturally-linked and appropriate governance and leadership skills.

While you're studying, you'll be guided towards building your own model as a capable and strong independent thinker.

### Entry criteria

To enrol, you'll need to:

- be a current trustee, or have held a position as a trustee for at least two years, or
- have successfully completed the Diploma in Small Business Enterprise (Level 5), or equivalent qualification, and
- attend an interview with one of our tutors.

### What you'll study

You'll learn about:

- how to engage in diverse situations
- how to become a successful critical thinker
- how to enhance and practise your public speaking
- how to display the leadership qualities needed when the going gets tough
- āhuetanga Māori, including te reo rangatira me ōna tikanga (how to respect and include Māori cultural protocols, voice, rights and customs) within Māori governance and leadership roles.

### How you'll study

This programme involves a mix of study activities, including face-to-face learning, regular mentoring sessions, self-directed learning and weekend wānanga.

You'll need to:

- attend eight hours of tutorials per month
- attend ten hours of mentoring per month
- attend eight weekend noho throughout the programme
- complete up to 27.5 hours of study per week in your own time.

### Pathway

Pathway options for this programme include:

- Diploma in Te Pinakitanga ki te Reo Kairangi (Level 7)
- Graduate Diploma in Professional Supervision (Level 7).

### Career pathway

Skills gained in this programme may help prepare you for:

- various roles within whānau, hapū or iwi organisations
- a directorship
- a position on an advisory board or board of trustees
- a job within a council or local government.

### Programme overview

This programme is for people who want to sustainably manage iwi fisheries resources and assets to ensure they remain available to future generations.

Iwi Marine and Freshwater Studies provides practical learning experiences that intertwine mātauranga Māori with Western knowledge and science. Key success factors include a blend of guardianship of the taonga, responsibility for kaitiakitanga and sustainable management.

### Entry criteria

To enrol, you'll need to:

- provide letters of support from a fisheries organisation and a CV detailing your experience, or
- hold an NZQA Customary Fishing Management qualification at level 4, and
- attend an interview with one of our tutors.

### How you'll study

This programme involves a mix of study activities, including noho marae, tutorials, regular mentoring sessions, self-directed learning and practicum.

You'll need to:

- attend eight weekend noho
- attend four hours of tutorials per month
- complete up to 31 hours of study per week in your own time.

### What you'll study

You'll learn about:

- preserving and utilising traditional knowledge about marine and freshwater ecosystems
- understanding and managing your fisheries taonga effectively
- a range of relevant technical skills and knowledge
- participating actively in commercial or customary fisheries decisions
- gaining expertise and experience in mahinga kai.

### Pathway

Pathway options for this programme include:

- Diploma in Te Pinakitanga ki te Reo Kairangi (Level 7)
- Graduate Diploma in Professional Supervision (Level 7).

### Career pathway

Skills gained in this programme will help you prepare for opportunities in various roles within customary fisheries management. These include working for mandated iwi organisations and asset holding companies that are responsible for managing fisheries assets.

### Programme overview

Te Mana Ao Tūroa is a flexible, full-time, three-year degree for those who are interested in leadership for environmental management and sustainability.

Focusing on empowering whānau, hapū and iwi to engage with environmental issues, policies and processes, graduates of this programme have the knowledge and skills to take up roles as advocates, researchers, lobbyists, promoters and producers of environmental change. Traditional Māori knowledge provides the underpinning principles that ground this degree in Māori ways of knowing, doing and being.

Third year students put their knowledge and skills into practice by undertaking an environmental change project within their local community. This project can be used as the basis for continued study at master's level through He Waka Hiringa.

### Entry criteria

To enrol, you'll need to:

- attend an interview with one of our tutors, and
- have at least a level 4 qualification.

### How you'll study

This programme is noho-based. There are nine noho in year one.

### What you'll study

In Te Mana Ao Tūroa, you'll learn under the themes Tāne (leadership), Rongo (engagement) and Māui (innovation).

Within these themes, topics of study include:

- te ao Māori
- kaitiakitanga
- whānau ora (sustainable living) and the global sustainable environment
- governance and leadership
- Māori and indigenous economic development
- strategic planning and financial analysis
- communication and diverse indigenous encounters
- negotiations and complex decision-making.

### Pathway

Te Mana Ao Tūroa can lead to He Waka Hiringa - Master of Applied Indigenous Knowledge (Level 9). This programme may also lead to graduate level studies in environmental management at other tertiary institutions.

### Career pathway

On successful completion of this degree, you'll have the tools to engage and lead innovative environmental kaupapa.

Note: Levels 5 and 6 (Years 1 and 2) will not be offered in 2015.

### Programme overview

He Waka Hiringa - Master of Applied Indigenous Knowledge acknowledges excellence in indigenous practice and directs the benefits of those practices back into communities.

He Waka Hiringa involves a study of principled practice and the embedding of principle into your practice. Your study will culminate in the completion of a community project involving the application of your practice for the benefit of a specific community.

### Entry criteria

To enrol, you'll need to:

- attend an interview with one of our tutors, and
- be a practitioner, and
- have access to a community, and
- have a proposed project, and
- your practice, practitioner, community and project must be interlinked.

### What you'll study

In year one of this degree, you'll study a range of indigenous philosophical frameworks that are underpinned by indigenous principles, and you'll look at how those principles inform practice. Then you'll choose or create a framework and principles as part of your community project proposal and outline how your project will be completed.

In year two, you'll complete your project according to your proposal and document it in order that the community can use the information in the future.

### How you'll study

In year one, you'll attend four noho and attend regular tutorials - either in person at agreed locations or online.

In year two, you'll attend two noho and two writing retreats. You'll also receive one-on-one mentoring from a tuakana (supervisor) chosen specifically for your project.

### Pathway

This programme leads to further study at higher levels and can lead to post-graduate programmes with other institutions.

### Career pathway

Skills and knowledge gained in this programme will prepare you for various roles in community revitalisation, professional practice and advanced career development in a particular field.

## Stay connected through Kāpuia

Congratulations on recently completing your qualification with Te Wānanga o Aotearoa. As you may know, we're an inclusive organisation that emphasises the importance of whānau and encourages strong relationships. These relationships enable us to work cohesively to bring about change in our communities and to progress as a nation.

As a graduate of Te Wānanga o Aotearoa, we welcome you to Kāpuia - our graduate community. Kāpuia builds on the relationships you created while you were with us, as well as using your stories to empower others to create their own stories. Your stories and successes are important to us. If you would like to share your educational journey with us, please email [kapuia@twa.ac.nz](mailto:kapuia@twa.ac.nz).

Ki te kotahi te kākaho  
ka whati, ki te  
**Kāpuia**  
e kore e whati

When reeds stand alone they are  
vulnerable, but bound together,  
they are unbreakable

### PATHWAY

#### LEVEL

### Programme overview

More and more, computers are taking over our work lives, our social lives, and our leisure time. Computer skills are now essential knowledge for the 21st Century.

Kick-start your career in computing, administration or other industries through this introductory programme. You'll learn the basics of computer hardware, software, web design, email and office applications, and open up a new world for you and your whānau.

### Entry criteria

To enrol, you'll need to:

- attend an interview, and
- have no tertiary qualification higher than level 1.

### How you'll study

This programme offers a choice of two study options (depending on how much class time you can commit to) and includes compulsory content covering aspects of kaupapa Māori.

For the study options, you'll need to either:

- attend four 5-hour classes and complete up to 14 hours of study in your own time each week (face-to-face), or
- attend two 4-hour classes and complete up to 26 hours of study in your own time each week (mixed mode).

You'll also need to attend a compulsory visit to a marae and embrace the use of karakia, waiata, pōwhiri, whakawhānaungatanga and basic te reo Māori within the learning environment during the programme.

### What you'll study

You'll learn about:

- computer hardware and software
- email and local area networks
- word processing and schematic diagrams (using Microsoft Word 2010)
- spreadsheets (using Microsoft Excel 2010)
- databases (using Microsoft Access 2010)
- Adobe CS5 - InDesign, Photoshop and Dreamweaver
- desktop presentations (using Microsoft PowerPoint 2010)
- kaupapa Māori (including tikanga Māori and te marae).

### Pathway

Pathway options for this programme include:

- Certificate in Computing (Level 3)
- Certificate in First Line Management & Leadership (Level 3)
- Certificate in Computing (Level 4).

### Career pathway

Skills gained in this programme will help you prepare for a career as:

- an office administrator
- a multimedia and/or web designer
- a database administrator
- a computer technician
- an application support administrator
- an administrator within your own business.

### Programme overview

Get on top of the computing and administration tasks that make a business hum.

Whether you're starting your own business or planning a career in computing or administration, this is an excellent programme to build your skills and knowledge on the essential daily administrative tasks that occur in every workplace. This programme will also introduce you to a wide range of software that you can use as a launch pad into industries like web design, graphic design, accountancy, database maintenance and so much more.

### Entry criteria

To enrol, you'll need to:

- attend an interview, and
- have no tertiary qualification higher than level 1.

### How you'll study

This programme offers a choice of two study options (depending on how much class time you can commit to) and includes compulsory content covering aspects of kaupapa Māori.

You'll need to either:

- attend four 5-hour classes and complete up to 14 hours of study in your own time each week (face-to-face), or
- attend two 4-hour classes and complete up to 26 hours of study in your own time each week (mixed mode).

### What you'll study

In this programme, you'll learn:

- keyboard skills
- computer maintenance
- email and digital communication technology
- word processing (Microsoft Word 2010)
- data entry and spreadsheets (Microsoft Excel 2010)
- customer services
- financial records, calculations and cash transactions
- health and safety in the workplace.

### Pathway

Pathway options for this programme include:

- Certificate in Computing (Level 2)
- Certificate in Computing (Level 3)
- Certificate in Computing (Level 4)
- Certificate in First Line Management & Leadership (Level 3)
- Certificate in Money Management (Level 3).

### Career pathway

Skills gained in this programme will help you prepare for a career as:

- an administrator within your own business
- an office administrator
- an administrative assistant
- a personal or executive assistant
- a receptionist
- a secretary.

### Programme overview

If you have basic computing skills, but no formal computing qualifications, and you want to learn more skills while completing the majority of your studies in your own time, this programme is for you.

While you're on this programme, we'll provide you with a loan computer (with all necessary software installed), access to the internet and access to our freephone helpdesk.

### Entry criteria

To enrol, you'll need to:

- attend an interview, and
- successfully complete a pre-entry assessment.

### How you'll study

This programme uses a mixed mode delivery method. Classes are held during the day or in the evening (including weekends at some locations).

To complete the programme, you'll need to:

- attend one 3-hour session per week
- complete 30 self-directed learning hours per week
- attend three 5-hour compulsory workshops through the duration of the programme
- attend one 7-hour compulsory marae visit.

You'll also need to embrace the use of karakia, waiata, pōwhiri, whakawhānaungatanga and basic te reo Māori within your learning environment.

### What you'll study

In this programme, you'll learn about:

- computer hardware and software
- email and local area networks
- word processing and schematic diagrams (Microsoft Word 2010)
- spreadsheets (Microsoft Excel 2010)
- databases (Microsoft Access 2010)
- desktop presentations (Microsoft PowerPoint 2010)
- Adobe CS5 - InDesign, Photoshop and Dreamweaver
- investigating the use of technology in an organisation
- kaupapa Māori (including tikanga Māori, te marae and ngā kawa ā-iwi).

### Pathway

Pathway options for this programme include the Certificate in Computing (Level 4).

### Career pathway

Skills gained in this programme will help you prepare for a career as:

- an office administrator
- a multimedia/web designer
- a database administrator
- a computer technician
- an application support administrator
- an information technology (IT) assistant.

### Programme overview

Take your basic computing skills to the next level and gain a nationally recognised qualification through this intermediate-level computing programme.

While you study, you'll engage with real life examples, learn how to use the latest technologies and software, and apply these tools in the real world.

### Entry criteria

To enrol, you'll need to:

- attend an interview, and
- have a Certificate in Computing (Level 2) or equivalent qualification, including NZQA units 2780 and 2781, and
- successfully complete a pre-entry assessment.

### How you'll study

This programme offers a choice of two study options (depending on how much class time you can commit to) as well as compulsory content covering aspects of kaupapa Māori.

You'll need to either:

- attend four 5-hour classes and complete up to 14 hours of study in your own time each week (face-to-face), or
- attend two 4-hour classes and complete up to 26 hours of study in your own time each week (mixed mode).

You'll also need to embrace the use of karakia, waiata, pōwhiri, whakawhānaungatanga and basic te reo Māori within the learning environment during the programme.

### What you'll study

You'll learn about:

- word processing (using Microsoft 2010)
- spreadsheets (using Microsoft Excel 2010)
- databases (using Microsoft Access 2010)
- desktop presentations (using Microsoft PowerPoint 2010)
- contemporary information technologies, computer systems and networks
- Adobe CS5 - InDesign, Photoshop and Dreamweaver
- use of computer technology in an organisation
- kaupapa Māori (ngā kawa ā-iwi).

### Pathway

Pathway options for this programme include the Certificate in Computing (Level 4).

### Career pathway

Skills gained in this programme will help prepare you for a career as:

- a multimedia/web designer
- a database administrator
- a computer technician
- an application support administrator
- an office administrator
- an information technology (IT) assistant.

### Programme overview

Develop your computing skills to a higher level and launch your career in the computer industry with this level 4 programme.

Students who choose the mixed mode option will be provided with a loan computer (with all necessary software installed), access to the internet and access to our freephone helpdesk.

### Entry criteria

To enrol (mixed mode and face-to-face options) you'll need to:

- attend an interview, and
- have a Certificate in Computing (Level 3) or equivalent qualification.

Mixed mode students will also need to successfully complete a pre-entry assessment.

### How you'll study

This programme offers a choice of two study options, depending on how much class time you can commit to.

You'll need to either:

- attend two 3-hour classes and complete up to 28 hours of study in your own time each week (mixed mode), or
- attend classes from 9am - 3pm, Monday to Thursday and complete up to 14 hours of study in your own time each week (face-to-face).

### What you'll study

You'll learn about:

- project management
- data communications
- advanced computing systems
- relational databases and software programming
- Adobe CS5 - Photoshop and Dreamweaver
- system analysis and
- research.

### Pathway

Pathway options for this programme include the Diploma in Information Technology (Level 5).

### Career pathway

Career opportunities may include roles in the information and communication technology (ICT) industry such as:

- a systems analyst
- a software developer
- a multimedia/web designer
- a database administrator
- a technical consultant
- jobs in other specialised industries (e.g., research and project management).

### Programme overview

This programme will help you develop the knowledge and skills you'll need to start a career as a computer programmer, web developer or IT field technician. Key topics include systems analysis, selecting and configuring operating systems, network and software components, website development, and business applications.

### Entry criteria

To enrol, you'll need to:

- attend an interview, and
- hold a computing qualification at level 4.

### How you'll study

This is a face-to-face programme. You'll be expected to attend formal teaching sessions and lab times. Classes run from Monday to Thursday with each Friday as a study day.

### What you'll study

This programme is made up of eight papers. Within these papers you'll look at computer networks, hardware, programming and communications. You'll also study software development and design, web and graphic design, data modelling and much more.

### Pathway

This programme may lead to further study at higher levels in the computing and IT fields, including study at degree level.

### Career pathway

Skills gained in this programme will help you prepare for further study in information technology and set a strong foundation for opportunities to work nationally or internationally with any organisation that uses information technology.

### Programme overview

The ability to manage money is an essential life-skill for all New Zealanders, regardless of age or current level of income. The Certificate in Money Management (CMM) will help you reach your financial goals and provide a secure financial future for you and your whānau.

### Entry criteria

To enrol, you'll need to:

- attend an interview, and
- successfully complete a pre-entry assessment.

### How you'll study

CMM is a face-to-face programme. You'll need to attend one class per week plus one workshop every three weeks. You'll also need to complete a set amount of study in your own time.

### What you'll study

You'll learn about:

- money and debt management, including developing an awareness of your current financial position and money habits
- wealth creation and protection, including various financial products that can be used for retirement savings, types of insurances to secure your financial situation and using trusts as a form of asset protection
- property investment, including home ownership, as well as how to build your wealth by buying investment properties
- equity and other investments, including key concepts relating to sharemarkets and conducting an evaluation of a business for investment purposes.

### Pathway

Pathway options for this programme include:

- Certificate in Small Business Management (Level 4)
- Certificate in Applied Small Business Growth & Development (Level 5)
- Diploma in Small Business Enterprise (Level 5).

### Career pathway

Skills gained in this programme will help prepare you for:

- self-employment
- a wide range of business related careers.

### Programme overview

Set a solid foundation in first line management and leadership skills, knowledge and attributes while helping out in your community.

This programme uses the unique wānanga management and leadership approach to generate empowerment, personal growth and confidence within a mātauranga Māori framework. This knowledge is shared with students through an emphasis on helping the communities that Te Wānanga o Aotearoa serves.

Skills taught in this programme are essential for people working as team leaders, supervisors, charge hands or similar. You'll also gain experience and confidence to contribute more widely towards enhancing our communities.

### Entry criteria

To enrol, you'll need to:

- attend an interview, and
- have the ability to complete practical workplace assessments.

### How you'll study

This programme involves a mix of study activities, including face-to-face learning and self-directed study.

You'll need to:

- attend one 4-hour tutorial per week
- complete 30 hours of study in your own time each week
- attend set wānanga.

### What you'll study

You'll learn about:

- team development
- communications
- systems and process management
- leadership.

### Pathway

Pathway options for this programme include:

- Certificate in Small Business Management (Level 4)
- Certificate in Applied Small Business Growth & Development (Level 5)
- Diploma in Māori Governance & Leadership (Level 6).

### Career pathway

Skills gained in this programme will help prepare you for:

- further study in first line management and leadership
- community leadership roles
- employment as:
  - a manager
  - a team leader
  - a project leader
  - a supervisor
  - a charge hand
  - a production manager.

### Programme overview

Do you have a business idea? Or, maybe you'd like to improve your existing business? If so, the Certificate in Small Business Management (CSBM) has been designed for you.

This programme will provide you with the practical tools you'll need to establish your business or manage your current business more effectively.

### Entry criteria

To enrol, you'll need to:

- attend an information seminar, and
- have a business idea, or
- be operating your own business.

### How you'll study

CSBM is a face-to-face programme. You'll need to:

- attend one class per week
- attend a workshop every three weeks, and
- complete a set amount of study hours in your own time.

### What you'll study

You'll learn about:

- business planning processes in the New Zealand business environment
- business law, including legal terms and concepts and preparing a legal plan
- marketing, including principles and concepts that can be applied to real-life situations
- people management, including employment and staff development
- small business accounting, including business mathematics and accounting concepts (e.g., cashbooks and filing GST returns)
- 'the financial plan', including taxation, budgeting, sourcing finance and implementing financial policies and procedures in a business.

### Pathway

Pathway options for this programme include:

- Certificate in Applied Small Business Growth & Development (Level 5)
- Diploma in Māori Governance & Leadership (Level 6).

### Career pathway

Skills gained in the programme will help prepare you for:

- advancement in your current job
- self-employment.

### Programme overview

Are you currently a business owner? Or, have you recently completed a business plan? If so, and you're ready to grow your business further, then this programme is for you.

You'll learn skills in business analysis, project implementation, reports creation and presentation delivery that will help take your business to the next level.

### Entry criteria

To enrol, you'll need to:

- attend an interview, and
- hold a small business management qualification at level 4, or
- have a suitable business plan, or
- already be operating a business.

### How you'll study

To complete the programme, you'll need to attend one class per week for weeks 1 - 22 and two classes per week for weeks 23 and 24. You'll also need to commit to completing a set amount of study in your own time.

### What you'll study

You'll learn about:

- identifying business projects for your business
- preparing and implementing project briefs
- monitoring the progress of your projects
- reporting on the success of your projects.

### Pathway

Pathway options for this programme include diploma or degree level study at other New Zealand tertiary organisations. Entry criteria may vary.

### Career pathway

Skills gained in this programme will help prepare you for opportunities such as:

- advancement in your current job
- business management roles
- self-employment.

# LEVEL 5 SMALL BUSINESS ENTERPRISE

## Diploma in Small Business Enterprise

### Programme overview

If you're employed in business or have recently started your own small business, you'll be aware of the many skills and varied knowledge you need to make a business a success.

This programme builds on learning from the Certificate in Small Business Management (Level 4) or skills and knowledge gained from working in a business environment.

During the programme, you'll learn how to apply business related theory in practical situations through a variety of learning activities, including case study analysis and group discussion.

### Entry criteria

To enrol, you'll need to:

- attend an interview, and
- hold the Certificate in Small Business Management (Level 4) qualification or equivalent, or
- have at least two years' management experience in the workplace.

### What you'll study

You'll learn:

- introductory accounting and finance
- introductory organisational management
- principles of marketing
- international business
- introductory business research
- principles of economics
- business communication
- introductory entrepreneurship and small business skills.

### How you'll study

This programme involves a mix of study activities, including face-to-face weekly tutorials, self-directed learning and noho. You'll need to:

- attend weekly tutorials
- attend eight weekend noho throughout the year
- complete up to 27 hours of study per week in your own time.

### Pathway

This programme leads to the Diploma in Māori Governance & Leadership (Level 6). You may also pathway to degrees external to Te Wānanga o Aotearoa.

### Career pathway

Skills gained in this programme will:

- increase your skills and knowledge to continue running your own business
- increase opportunities for you to advance your current employment position
- improve employment opportunities where basic management knowledge is required.

Rongoā Māori - Certificate in Rongoā Māori Appreciation	Level 4	74

PATHWAY

LEVEL

### Programme overview

If you love sport, enjoy being part of a team and would like to work or volunteer in the world of sport, this introductory programme is the ideal place to start. You'll learn the basics of refereeing, coaching, first aid, safety, nutrition, sports administration, teamwork, programme development, communication skills and much more!

### Entry criteria

To enrol, you'll need to:

- attend an interview, and
- have no tertiary qualification higher than level 1.

### How you'll study

This programme involves a mix of study activities, including face-to-face learning, group work, tutorials, self-directed study and/or directed study. You'll need to:

- attend classes five days each week
- take part in a range of physical and practical experience activities on and off the field.

### What you'll study

You'll learn about:

- written and verbal communication
- documenting business transactions
- writing reports
- applying rules and regulations in competitive sport situations
- planning, conducting and reviewing a coaching session
- taking part in meetings and physical activities
- first aid, resuscitation and injury management
- anatomy related to physical activity
- nutrition and its affect on physical activity.

### Pathway

Pathway options for this programme include:

- Kaupapa Toimau Tākaro - Certificate in Sports Leadership (Level 4)
- Kaupapa Toimau Hauora - Certificate in Health & Fitness Leadership (Level 4)
- Certificate in Tū Taua (Level 4)
- Certificate in Waka Ama (Level 4).

### Career pathway

Skills gained in this programme will help you prepare for further study towards a career in:

- refereeing and coaching
- sports nutrition and health
- sports administration
- sports event assistance
- sports programme development
- contributing effectively as a volunteer in a range of sports activities and organisations.

### Programme overview

Open a door to the world of sports through this popular programme that has helped many of our graduates launch their careers.

This programme is for athletes who want to improve their performance. We'll take you through the principles of athlete development, sports performance, advanced sports nutrition, dealing with the media, managing injuries and much more. You'll also learn the skills to build and manage your career as an athlete on the way to the top of your field.

### Entry criteria

To enrol, you'll need to attend an interview.

### How you'll study

This programme involves a mix of study activities, including face-to-face learning, group work, tutorials, self-directed study and/or directed study. You'll need to:

- attend classes five days each week, and
- take part in a range of physical and practical experience activities on and off the field.

### What you'll study

You'll learn about:

- planning a beginner's coaching session
- applying basic principles of sports psychology
- assessing individual fitness
- applying knowledge of nutrition to physical activity needs
- providing first aid and injury management
- managing your own career development

- understanding the human body - basics of physiology and anatomy
- exploring the structure of sports organisations in New Zealand
- finding out about legal and financial issues relevant to professional sports people
- handling the media
- writing a CV (curriculum vitae) - a record of your educational achievement, work history and achievements.

### Pathway

Pathway options for this programme include:

- Kaupapa Toimau Hauora - Certificate in Health & Fitness Leadership (Level 4)
- Certificate in Tū Taua (Level 4)
- Certificate in Waka Ama (Level 4)
- He Korowai Ākonga - Bachelor in Education (Primary Teaching) (Level 7).

### Career pathway

Skills gained in this programme will help you prepare for further study towards a career in:

- refereeing
- coaching
- personal training
- sports nutrition and health
- sports administration
- sports programme development
- sports media
- sports event management
- sports psychology
- sports education
- professional sports as a competitor
- outdoor education.

### Programme overview

Skilled coaches, instructors and trainers are in hot demand across the sports and leisure industries - both here in Aotearoa New Zealand and overseas.

Learn what you need to know to be a fitness coach, instructor, group instructor or personal trainer so you can help others reach their peak performance. In the process, you'll also learn how to achieve your personal best.

### Entry criteria

To enrol, you'll need to attend an interview.

### How you'll study

This programme involves a mix of study activities, including face-to-face learning, group work, tutorials, self-directed study and/or directed study. You'll need to:

- attend classes five days each week, and
- take part in a range of physical and practical experience activities on and off the field.

### What you'll study

You'll learn about:

- physical, technical and professional aspects of fitness
- developing exercise regimes and exercise-to-music classes
- managing your own health and fitness
- developing communication and people skills
- assessing and managing client fitness
- providing appropriate customer/client service
- applying basic principles of sports psychology
- the human body - basics of physiology and anatomy
- providing first aid and injury management
- using and maintaining fitness equipment.

### Pathway

Pathway options for this programme include:

- Kaupapa Toimau Tākaro - Certificate in Sports Leadership (Level 4)
- Certificate in Tū Taua (Level 4)
- Certificate in Waka Ama (Level 4)
- He Korowai Ākonga - Bachelor of Education (Primary Teaching) (Level 7).

### Career pathway

Skills gained in this programme will help you prepare for further study towards a career in:

- refereeing
- coaching
- personal training
- sports nutrition and health
- sports programme development
- sports psychology
- sports education
- professional sports as a competitor
- outdoor education
- contributing effectively as a volunteer in a range of sports activities and organisations.

### Programme overview

Explore the ancestral practices of Tū Taua. Walk the path followed by our tūpuna in pursuit of this privileged and sacred knowledge as you become acquainted with the history, core values and protocols of the warrior.

Tū Taua is taught through the traditional practices of mau rākau and taiaha. As you learn, you'll be reconnected with your heritage in a way that will define your future and introduce you to a path of lifelong learning.

### Entry criteria

To enrol, you'll need to attend an interview.

### What you'll study

This programme has eight modules covering comprehensive skills and knowledge related to a range of topics, including:

- sport, games and training exercises of the toa
- whakapapa
- pepeha
- karakia
- traditional garments and dress
- health, fitness and well-being
- knowledge, tikanga and values of the toa
- features of mau rākau - tikanga, stances, positions, strokes, body movements, facial expressions, blocks, counters and engagement
- traditional kai, nutrition and rongoā
- mau rākau group formations and presentations, choreography and patterns of movements, and free-form movements
- influences on mau rākau.

### How you'll study

This programme involves a mix of study activities, including face-to-face learning, group work, tutorials, self-directed study and/or directed study. You'll need to:

- attend eight weekend wānanga, and
- attend weekly tutorials throughout the programme.

### Pathway

Pathway options for this programme include:

- Kaupapa Toimau Tākaro - Certificate in Sports Leadership (Level 4)
- Kaupapa Toimau Hauora - Certificate in Health & Fitness Leadership (Level 4)
- Certificate in Māori Performing Arts (Level 4)
- Certificate in Waka Ama (Level 4)
- He Korowai Ākonga - Bachelor in Education (Primary Teaching) (Level 7).

### Career pathway

Skills gained in this programme will help you prepare for a career in:

- tourism
- sport
- leisure
- health
- teaching
- outdoor education.

### Programme overview

Learn the skills of waka ama, including effective paddling, coaching, team management, food preparation and whānau support. You'll also gain ten level 3 coaching units, which can be used across other sporting areas.

This programme encourages lifelong learning and development and is taught in a supportive and positive environment.

### Entry criteria

To enrol, you'll need to attend an interview.

### How you'll study

This programme involves a mix of study activities, including face-to-face learning, group work, tutorials, experiential and peer learning, self-directed study and/or directed study. To complete this programme, you'll need to attend eight monthly noho.

### What you'll study

You'll learn:

- skills for lifelong learning
- an understanding of waka ama in a wide range of contexts
- paddling ability
- waka ama method and technique
- development of waka ama within the wider community.

### Pathway

Pathway options for this programme include:

- Certificate in Health & Fitness Leadership (Level 4)
- Certificate in Tū Taua (Level 4).

### Career pathway

Skills gained in this programme will help you prepare for a career in:

- tourism
- sport
- leisure
- health
- teaching
- outdoor education.

### Programme overview

Hauora-Certificate in Elderly Health Care is about whānau (family) caring for kaumātua (elder/s).

When whānau take on the role of caring for kaumātua, they're often at a loss and find navigating the health system an overwhelming task. This programme supports and assists whānau to provide the best quality care for kaumātua in their homes.

### Entry criteria

To enrol, you'll need to attend an interview.

### How you'll study

Modes of delivery are contact and mixed mode. The programme is made up of four modules delivered over 36 weeks that include:

- four noho marae
- tutorials
- self-reflective journal.

### What you'll study

The programme is underpinned by four themes:

- Kaitiakitanga - to understand the roles and responsibilities of caregivers and whānau, and to examine and establish relationships with practitioners who provide kaumātua/elderly care
- Āhurutanga - to understand and establish the foundations of home health care for kaumātua
- Koha - to support kaumātua and whānau to manage care and to assist with access to services
- Mauri Ora - to achieve the goal of ongoing wellness for kaumātua, whānau and caregivers.

### Pathway

This programme leads to Te Mana Ao Tūroa (Taiao) - Bachelor of Māori Advancement (Level 7).

### Career pathway

Skills gained in this programme will help you prepare for a career as:

- an aged care residential worker
- a kaiāwhina
- a kaitautoko
- a home care or support worker.

### Programme overview

Learn foundation skills and practices of rongoā Māori (traditional Māori health and medicine).

During this programme, you'll explore the origins, cultural principles and practices surrounding rongoā Māori and you'll begin to learn how to apply these. Although you won't have a practising qualification when you emerge from this programme, you'll be prepared for further study in this area.

### Entry criteria

To enrol, you'll need to:

- attend an interview, and
- have a mātauranga Māori qualification at level 3, or
- have three or more years' experience in hauora Māori practices.

### How you'll study

This programme involves a mix of study activities, including face-to-face learning, group work, tutorials, self-directed study and/or directed study. You'll also need to attend four weekend noho marae and two one-day wānanga.

### What you'll study

You'll learn about:

- origins, cultural principles, and practices surrounding rongoā Māori
- topics surrounding indigenous plant species including:
  - identification
  - classification
  - health and safety
  - kaitiakitanga.

### Pathway

This programme leads to:

- Te Mana Ao Tūroa (Taiao) - Bachelor in Māori Advancement (Level 7)
- He Waka Hīringa - Master of Applied Indigenous Knowledge (Level 9).

You'll also have the skills to study natural therapies and traditional indigenous Māori medicine with other organisations. Entry criteria may vary.

### Career pathway

Skills gained in this programme will help you prepare for a career in:

- marketing among Māori (iwi/hapū) community health organisations
- promoting healthy lifestyles
- promoting traditional Māori knowledge.

# TOI MĀORI & INDIGENOUS ARTS

## TOI MĀORI & INDIGENOUS ARTS

PROGRAMME	LEVEL	PAGE
Kāwai Raupapa - Certificate in Introduction to (Māori) Art	Level 3	78
Kāwai Raupapa - Certificate in Māori Visual Arts - (Raranga, Whakairo, Rauangi)	Level 4	79
Certificate in Māori Performing Arts	Level 4	80
Toi Paemātua - Diploma in Māori Art (Raranga, Whakairo, Rauangi)	Level 5	81
Maunga Kura Toi - Bachelor of Māori Art (Raranga, Whakairo, Rauangi)	Level 7	82

PATHWAY

LEVEL

### Programme overview

Explore the world of Māori art forms and develop your artistic process while you investigate your options for further tertiary study.

This introductory programme will help you expand your knowledge of Māori art forms and provide you with the confidence to start on a learning pathway that extends to degree level. While you're on this programme, you'll be involved in a range of projects designed to engage communities with Māori art forms.

### Entry criteria

To enrol, you'll need to attend an interview.

### How you'll study

This programme involves a mix of study activities, including face-to-face learning, group work, tutorials, self-directed study and/or directed study and may include noho marae.

### What you'll study

You'll learn about:

- applying basic tikanga Māori appropriate to the art form
- using different types of art media, materials and practical processes
- developing these processes when making your work
- applying basic research processes, safe practice and workshop management.

### Pathway

Pathway options for this programme include:

- Kāwai Raupapa - Certificate in Māori Visual Arts (Level 4)
- Certificate in Māori Performing Arts (Level 4)
- Maunga Kura Toi - Bachelor of Māori Art (Raranga, Rauangi, Whakairo) (Level 7).

### Career pathway

Skills gained in this entry-level programme will help you prepare for further study in the arts or other indirectly related programmes.

### Programme overview

Immerse yourself in Māori art design and creative processes with this level 4 certificate. You can choose between raranga (traditional Māori weaving), whakairo (traditional Māori carving) and rauangi (fine arts).

This programme is a great place to begin your path into tertiary study and will prepare you for a higher level qualification in the Māori arts.

Once you've completed Kāwai Raupapa, you might like to move up to the level 5 Toi Paemataua programme or use your new skills to launch your career in an arts-related field.

### Entry criteria

To enrol, you'll need to attend an interview.

### How you'll study

You'll learn about:

- applying basic tikanga Māori appropriate to the chosen kaupapa toi
- using different types of kaupapa toi, materials and practical processes
- developing these processes when making own work
- applying basic research processes, safe practices and workshop management.

### What you'll study

This programme involves a mix of study activities, including face-to-face learning, noho, group work, tutorials, self-directed learning and directed learning.

### Pathway

Pathway options for this programme include:

- Toi Paemataua – Diploma in Māori Art (Level 5)
- Maunga Kura Toi - Bachelor of Māori Art (Raranga, Whakairo, Rauangi) (Level 7).

### Career pathway

Skills gained in this entry-level programme will help you prepare for further study in the arts or related programmes.

# LEVEL 4 MĀORI PERFORMING ARTS

## Certificate in Māori Performing Arts

### Programme overview

Lights, camera, action! There's no better way to learn than by doing. This high-energy, action packed, practical programme is for those who love to perform.

In the first half of this programme, you'll learn everything you need to know about performance and production. In the second half, you'll put your skills into practice as you and your classmates produce your own show - from scripts, choreography, lighting and stage production through to promotion, marketing and sales.

Unlock your natural talent and knowledge of Māori performing arts, stand tall with pride and emerge well on the way in your chosen career path.

### Entry criteria

To enrol, you'll need to attend an interview.

### How you'll study

This programme uses a mixed mode delivery method and includes face-to-face learning that may include noho, tutorials, self-directed study and/or directed learning.

### What you'll study

You'll learn about:

- what's required to give a first rate performance
- how to organise and run a successful production
- theory relating to stage performance
- āhurutanga Māori - including te reo rangatira me ōna tikanga (how to respect and include Māori cultural practices, protocols and customs) within the Māori performing arts.

### Pathway

Pathway options for this programme include:

- Toi Paematua - Diploma in Māori Art (Level 5)
- He Korowai Ākonga - Bachelor of Education (Primary Teaching) (Level 7)
- Te Tohu Paetahi Ngā Poutoko Whakarara Oranga - Bachelor of Social Work (Biculturalism in Practice) (Level 7).

### Career pathway

Skills gained in this programme will help you prepare for a career in:

- media studies
- social work
- teaching
- the performing arts
- tourism.

# LEVEL 5 TOI PAEMATUA

## Diploma in Māori Art - (Raranga, Whakairo, Rauangi)

### Programme overview

Toi Paematua provides an opportunity for you to build on the skills and knowledge you gained in Kāwai Raupapa (or a similar programme) and helps you prepare for further study in the arts, including the Maunga Kura Toi degree.

This is a one-year, intensive programme in which you'll learn practical skills and intermediate-level technical knowledge in the fields of raranga, rauangi or whakairo. Although Toi Paematua is offered as a diploma, you may wish to continue with your studies through to level 7 and graduate with Maunga Kura Toi.

### Entry criteria

To enrol, you'll need to:

- attend an interview, and
- have an art qualification of 120 credits at level 4, and
- provide a creative portfolio and CV detailing your experience, or
- successfully complete a pre-entry assessment.

### What you'll study

As well as choosing to specialise in whakairo, raranga or rauangi, your study will support you to:

- develop an appreciation and understanding of origins associated with your chosen kaupapa toi
- develop sound process and technical skills for your chosen kaupapa toi
- develop an understanding and appreciation regarding tikanga and āhuatanga Māori practices for your chosen kaupapa toi

- develop an appreciation and awareness of Kaupapa Wānanga/principle-based practice
- build rangahau and analytical skills for your chosen kaupapa toi.

### How you'll study

This programme uses a mixed mode delivery method that includes, noho, lectures, tutorials, self-directed study and/or directed learning.

### Pathway

Pathway options for this programme include:

- Maunga Kura Toi - Bachelor of Māori Art (Raranga, Whakairo, Rauangi) (Level 7)
- degree level study in the Māori arts with another tertiary institution
- further study towards a teaching position within secondary or tertiary education art departments.

### Career pathway

Skills gained in this programme may help you prepare for career opportunities that include:

- entry-level positions within museums, art galleries or touring exhibitions
- artistic work within collectives and workshops
- assisting in running an art studio or exhibition space
- artistic work within stage, theatre or television
- artistic work in advertising
- degree level study in the Māori arts with another tertiary institution
- further study towards a teaching position within secondary for tertiary education art departments.

### Programme overview

This three-year degree grounded in mātauranga Māori (or Māori knowledge) provides a framework for you to build the skills you need to create works of art within your chosen kaupapa toi (media practice). Each paper in the degree is a project-based learning journey through which you will develop your creative practices and learn to express your experiences in significant language.

Along the way, you'll gain complementary skills in management, history and tikanga (protocols) of Māori art as well as exhibition practices. In the final year of this qualification, you'll get an opportunity to complement your core practice with electives in teaching, business or curatorship.

This unique programme will enable you to fully experience kaupapa Māori methodologies while being engaged in the development of key skills in arts practice.

### Entry criteria

To enrol, you'll need to:

- attend an interview, and
- have an art qualification of 120 credits at level 4, and
- provide a creative portfolio and CV detailing your experience, or
- successfully complete a pre-entry assessment.

### What you'll study

When you complete this programme, you'll be proficient in the skills and knowledge to work from theoretical processes to practise in the workshop, classroom or studio. Each level builds on the one before, so that skills and knowledge are layered to develop the depth of understanding required at each level, allowing the natural unfolding of your potential.

Learning is often repeated through project work to affirm learning. Your chosen major will allow you to explore and extend yourself further in these art forms.

### How you'll study

This programme uses a mixed mode delivery method that includes lectures, noho, tutorials, self-directed study and/or directed study.

### Pathway

Pathway options for this programme include He Waka Hiringa – Master of Applied Indigenous Knowledge (Level 9). This degree may also lead to post-graduate studies at other tertiary organisations.

### Career pathway

Skills gained in this programme will help you prepare for career opportunities that include:

- teaching positions within secondary and tertiary education art departments
- positions within museums, art galleries or touring exhibitions
- artistic work within collectives and workshops (wānanga)
- running an art studio or exhibition space
- artistic work on contract within stage, theatre or television
- artistic work in freelance advertising.

PATHWAY

LEVEL

### Programme overview

Are you interested in helping transform whānau through education?

This programme positions Māori philosophies as the foundation towards understanding the self. You'll explore the implications this has for learning styles, learning methods and effective learning environments. You'll also explore the responsibilities educators have in bringing joy back into learning.

### Entry criteria

To enrol, you'll need to:

- attend an interview, and
- have access to a group of adult learners.

### How you'll study

The programme requires you to:

- attend four weekend noho per year
- attend four one-day wānanga
- contribute to online forums for at least two hours per day
- wānanga with kaiako when support is required.

### What you'll study

You'll learn about:

- kaitiakitanga - responsibilities of being an effective educator
- āhurutanga - responsibilities of ensuring that you're well-equipped, well-resourced and well-planned to enter learning spaces
- koha - responsibilities to make contributions to education
- mauri ora - responsibilities to be a reflective practitioner.

### Pathway

Pathway options for this programme include:

- He Korowai Ākonga - Bachelor of Education (Adult Education) (Level 7)
- He Korowai Ākonga - Bachelor of Education (Primary Teaching) (Level 7)
- Te Tītohu Arahina te Hunga Tangata (Ngā Poutoko Whakarara Oranga) - Graduate Diploma in Professional Supervision (Level 7)
- Te Mana Ao Tūroa (Taiao) - Bachelor in Māori Advancement (Environment) (Level 7).

### Career pathway

Skills gained in this programme will help you prepare for a career as an adult educator in:

- a private training establishment
- a wānanga or other educational institution
- a community organisation
- the workplace.

### Programme overview

He Korowai Ākonga - Bachelor of Education (Adult Education) will prepare you for a career as an adult educator.

This three-year, full-time degree develops and applies a Māori worldview, philosophies and theories of education. Principles that inform the programme include ako (reciprocal and transformational relationships of teaching and learning); aro (assessment, evaluation, reflective praxis); whanaungatanga (enduring relationships); and te hiringa (spirituality and passion).

Embracing mātauranga Māori, this degree supports individuals to be reflective, culturally aware and responsive practitioners who are able to think deeply and critically about education, its issues, its potential and their role within it.

### Entry criteria

To enrol, you'll need to:

- attend an interview, and
- successfully complete a pre-entry assessment, and
- hold a level 4 education or teaching qualification of no less than 120 credits, or
- provide a portfolio and CV detailing your experience.

### What you'll study

This programme reflects a holistic view of education, weaving principle, theory and practice throughout with a particular focus on:

- the art, science and joy of ako
- education in Aotearoa New Zealand
- mātauranga Māori
- principled practice and praxis
- subject knowledge.

### How you'll study

This programme is offered through a combination of delivery methods:

- wānanga (one-day sessions, face-to-face and directed learning)
- tutorial groups where learning is reinforced
- classroom-based learning
- practice-based learning
- online learning
- noho marae (stayovers at a marae) and noho (stayovers not held at a marae).

### Pathway

This programme may lead to He Waka Hiringa - Master of Applied Indigenous Knowledge (Level 9).

### Career pathway

Graduates may work as facilitators of learning, education administrators or policy professionals while contributing to improving education in Aotearoa New Zealand and advancing Māori education and success for learners.

\* Level 5 (Year 1) will not be offered in 2015.

### Programme overview

He Korowai Ākonga - Bachelor of Education (Primary Teaching) will prepare you for a career as a primary teacher.

The programme is designed to produce transformative educational leaders with specialist knowledge and skills in the field of primary education.

This three-year, full-time programme of study is underpinned by Māori philosophies, Māori principles and mātauranga Māori (Māori knowledge). You'll learn about the New Zealand education system and theories of teaching and learning. You'll also gain practical experience working alongside professional teachers in New Zealand schools.

If you're looking for a rewarding, exciting and dynamic career, this is the programme for you.

### Entry criteria

To enrol, you'll need to:

- attend an interview, and
- consent to undergo a police vetting process, and
- if over 20 years of age, have completed a programme of study of no less than 120 credits at level 4, or
- if under 20 years of age, have University Entrance or NCEA required credits.

### What you'll study

He Korowai Ākonga reflects a holistic view of education, weaving principle, theory and practice throughout with a particular focus on:

- the art, science and joy of ako
- education in Aotearoa New Zealand
- mātauranga Māori
- principled practice and praxis
- subject knowledge.

### How you'll study

This programme is delivered through a combination of delivery methods, including:

- wānanga (one-day, face-to-face, directed learning sessions)
- tutorial groups to reinforce learning
- classroom-based learning
- practice-based learning
- online learning
- noho.

### Pathway

Pathway options for this programme include:

- Te Tītohu Arahina te Hunga Tangata (Ngā Poutoko Whakarara Oranga) - Graduate Diploma in Professional Supervision (Level 7)
- He Waka Hīringa - Master of Applied Indigenous Knowledge (Level 9).

### Career pathway

This programme will help you prepare to register as a teacher through the New Zealand Teachers Council.

### Programme overview

If you're currently working in (or want to work in) social services, this programme will provide you with an introductory qualification to help you achieve your career goals.

You'll get the training and qualifications you need to work as a social service worker in non-clinical roles, and you'll be ready to take on further study towards professional training in the social work field.

### Entry criteria

To enrol, you'll need to:

- attend an interview, and
- successfully complete a pre-entry assessment.

### How you'll study

This programme is delivered through a combination of delivery methods, including:

- directed and self-directed learning with printed materials
- noho marae
- noho and one day wānanga
- online learning
- e-learning (using Moodle)
- classroom-based presentations
- support from kaiako - online and telephone (when required) and,
- a bicultural community initiative.

This programme involves a mix of study activities, including presentations, essays, reports, journal writing, waiata, te reo, noho marae and research.

### What you'll study

This programme is underpinned by:

- bicultural knowledge of engaging in relationships and kaupapa
- bicultural knowledge of purposes, obligation and legacies of social services
- whakawhanaungatanga and creating and maintaining positive relationships
- effective bicultural communication
- the relevance of Te Tiriti o Waitangi to social services in Aotearoa New Zealand
- knowledge of wānanga
- knowledge of basic te reo and tikanga Māori.

### Pathway

Pathway options for this programme include:

- Te Tohu Paetahi Ngā Poutoko Whakarara Oranga - Bachelor of Social Work (Biculturalism in Practice) (Level 7)
- He Korowai Ākonga - Bachelor of Education (Primary Teaching) (Level 7).

This programme will also prepare you for entry into any level 5 programme, subject to meeting the entry requirements of the programme.

### Career pathway:

Skills gained in this programme will help you prepare for a career as:

- a social services support worker
- a community support worker (entry level only)
- a kaitautoko
- a kaiāwhina.

**NO FEES**

### Programme overview

This degree recognises the historical foundations of Aotearoa New Zealand society, understanding human relationships in the pursuit of mauri ora.

The programme is grounded in bicultural frameworks that consciously accord value to Māori bodies of knowledge so they can participate actively alongside non-Māori bodies of knowledge in the learning and teaching journey. This approach will enable you to develop a personal model of best practice for social work in Aotearoa New Zealand. It will also enable you to make contributions of consequence wherever you choose to practise.

### Entry criteria

To enrol, you'll need to:

- be at least 18 years of age, and
- attend an interview, and
- consent to undergo a police vetting process.

Note: The police vetting process may affect your practice-based learning placement and, therefore, enrolment in the programme and eligibility for registration with the Social Workers Registration Board.

### How you'll study

This programme is delivered through a combination of delivery methods, including:

- directed and self-directed learning with printed materials
- noho marae, noho and wānanga
- online learning/e-learning (using Moodle)
- classroom-based presentations
- support from kaiako (online and telephone) when needed
- practice-based learning.

### What you'll study

You'll learn about:

- biculturalism
- takepū (applied principles)
- social justice
- Te Tiriti o Waitangi
- cultural diversity and uniqueness
- research
- theory and practice-based learning.

### Pathway

Pathway options for this programme include:

- Te Tītohu Arahina te Hunga Tangata (Ngā Poutoko Whakarara Oranga) - Graduate Diploma in Professional Supervision (Level 7)
- He Waka Hīringa - Master of Applied Indigenous Knowledge (Level 9)
- post graduate or master's degree papers in any area available through other tertiary providers subject to meeting their entry criteria.

### Career pathway

This programme will help prepare you for a career across a range of sectors, including:

- corrections, court and parole work
- Child, Youth and Family and social service agencies
- youth, iwi and social transformation-related occupations
- social advocacy
- social work service management - human rights
- general health, cultural health and mental health related social work occupations
- social work
- education
- social research.

### QUICK FACTS

DURATION:  
**3** years  
**36** weeks  
(per year)

### Programme overview

This programme will prepare you for employment across a range of sectors in which leadership and kaitiakitanga are key elements, including the social sciences, health and education.

While you're studying in this graduate diploma, you'll deconstruct existing supervision models of practice and reconstruct professional supervision practice within a bicultural framework. This will enable you to place your own notions and concepts within the context of biculturalism in relation to principle-based positions and roles.

### Entry criteria

To enrol, you'll need to:

- be at least 18 years old, and
- attend an interview, and
- hold at least a level 6 diploma in humanities, social sciences or education, and
- have at least two years' professional experience, or
- hold a level 7 bachelor's degree in humanities, social sciences or education and be practising in that profession.

### How you'll study

This programme involves a mix of study activities, including face-to-face weekend learning, self-directed study and practice-based learning through practicum.

You'll need to:

- work within a relevant organisation
- attend weekend noho
- study in your own time.

### What you'll study

You'll learn about:

- worldview significance and consequences (tohutohu)
- supervisors' expectations (kaitiakitanga)
- tikanga, ethics and lore (tiaki)
- supervision in your context (tautoko)
- integration as a supervisor (arataki).

You'll also participate in two practicums throughout the year - the first as a supervisee and the second as a supervisor.

### Pathway

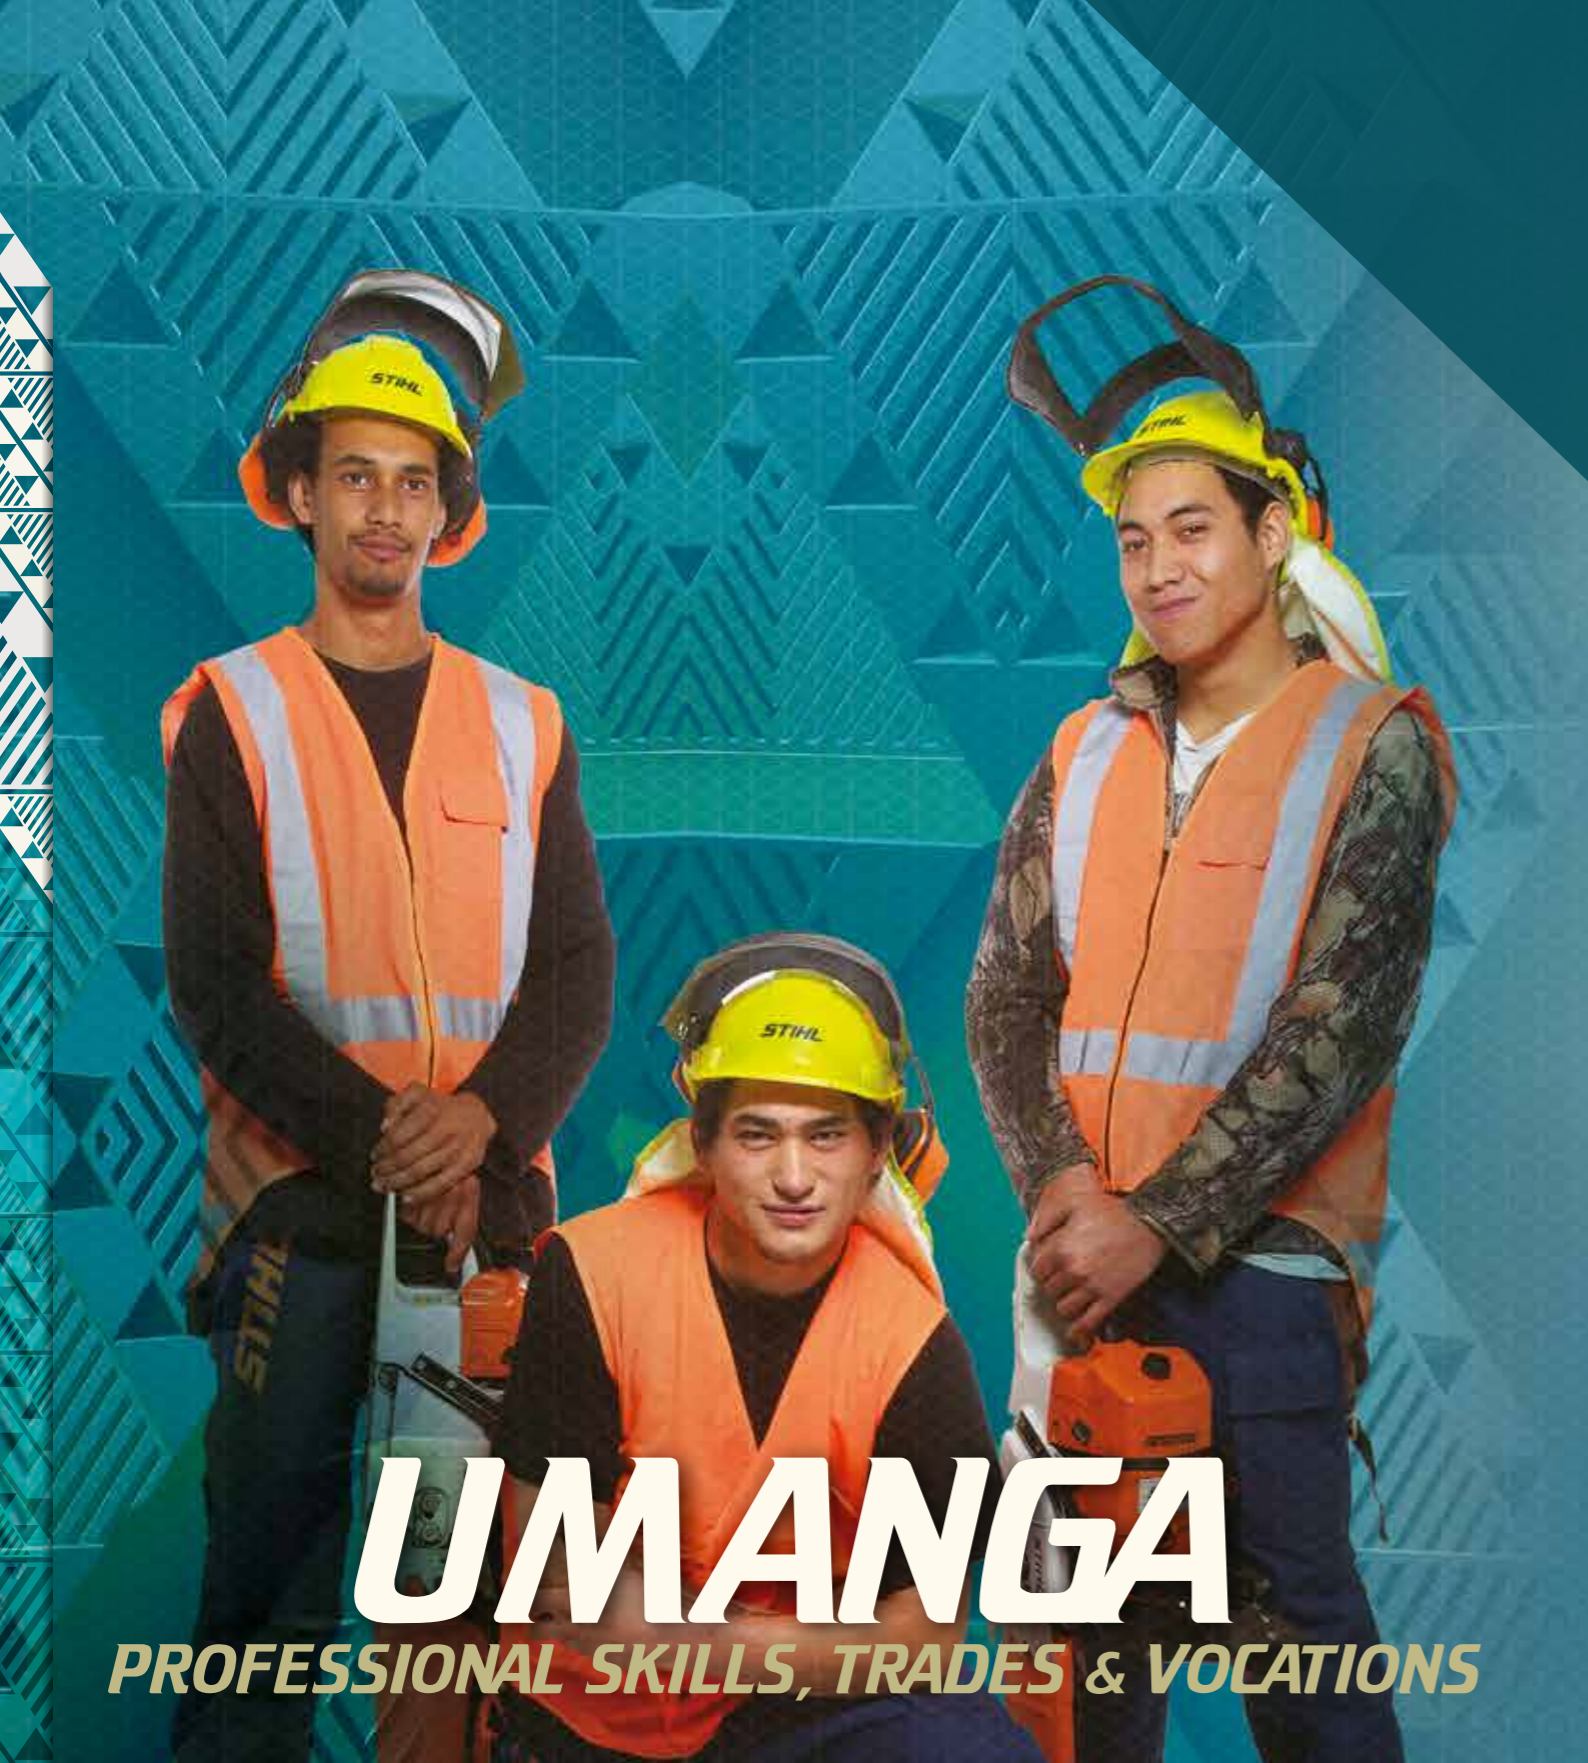

This graduate diploma leads to graduate studies in professional supervision at other tertiary organisations. Entry criteria may vary.

This programme could also lead to He Waka Hīringa - Master of Applied Indigenous Knowledge (Level 9).

### Career pathway

Skills gained in this programme will help you prepare for a career across a range of sectors including:

- social science
- health
- education.

### LEVEL

# LEVEL 3 FOUNDATIONAL FOREST HARVESTING

## Certificate in Foundational Forest Harvesting

### Programme overview

Learn the skills you need to be a safe operator in the bush!

This 36 week programme will give you the qualifications to get you started in a career in cable logging or ground based logging.

You'll work alongside a logging crew to get the vital experience you need to be a competent and safe operator in the bush. Health and safety and quality training will ensure you have the best possible start in this career.

### Entry criteria

To enrol, you'll need to:

- attend an interview, and
- successfully complete a pre-entry assessment, and
- successfully complete a physical fitness assessment, and
- consent to drug testing.

### How you'll study

The Certificate in Foundational Forest Harvesting is highly practical and involves a mix of forestry work and field visits while practising skills learnt in the classroom.

### What you'll study

You'll learn about:

- cable logging/ground-based logging systems, processes and capabilities
- applying what you've learned whilst training alongside a logging crew.

Your kaiako (tutor) will also teach you all you need to know about health and safety, chainsaw use and maintenance, and much more.

### Pathway

This programme may lead to further study in forest harvesting or management with another New Zealand tertiary provider. Entry criteria may vary.

### Career pathway

Skills gained in this programme will help you prepare for a job as an entry-level cable logging/ground-based crew member in forest harvesting operations.

# LEVEL 4 APPLIED TECHNOLOGY

## Certificate in Applied Technology (Carpentry)

### Programme overview

If you're considering a career in the building industry, the Certificate in Applied Technology (Carpentry) is for you. It's an entry-level course that will give you a strong foundation for your future.

On this course, you'll work alongside an experienced carpentry kaiako (tutor) to build a complete, functioning house.

Join this pre-apprenticeship programme in our supportive wānanga environment and learn core building skills through real, practical experience.

### Entry criteria

To enrol, you'll need to attend an interview.

### How you'll study

You'll attend classes three days each week. This is a practical programme that involves a mixture of study activities, including group work, tutorials and some learning in your own time.

### What you'll study

During this course, you'll work with your classmates to build a house on campus. Together, you'll gain real and valuable experience in:

- the basics of construction
- interpreting building plans
- how to choose and use the right tools, machinery and equipment for the job
- building codes and regulations
- health and safety on the building site.

### Pathway

Pathway options for this programme may include degree or higher learning opportunities at other institutions. Entry criteria may vary.

### Career pathway

Possible career opportunities for successful graduates of this programme include apprenticeships and other trade-related positions.

### Programme overview

Are you wanting to study at a higher level, but are unsure of your study skills? Use this course to improve your skills and be better prepared for your future.

Taumata Raukura Career Preparation (Tertiary Learning Skills) will help you understand your own learning style and show you how to make the most of your study time.

### Entry criteria

To enrol, you'll need to attend an interview.

### How you'll study

This programme involves a mix of study activities. You'll need to:

- attend classes, noho marae and tutorials
- complete a set amount of study in your own time
- take part in mock interviews and placements to prepare you for higher level study.

### What you'll study

You'll learn about:

- philosophical frameworks and how they inform practice
- recognising and identifying learning styles
- developing an individual career plan
- Māori principles and practices
- multiple study tools, like effective note taking
- critical thinking and analysis
- research skills
- planning and preparation techniques
- reading and writing strategies
- referencing
- report writing
- presentations.

### Pathway

This programme will help you prepare for study at level 5 or above in any subject.

### Career pathway

Skills gained in this programme will provide a foundation in any field. You'll also improve skills you already possess in areas such as research and analysis.

## How you'll study

This programme uses mixed mode delivery and may include day and night classes, noho, wānanga, tutorials and/or work.

## Pathway

This programme will help prepare you for higher level study, including:

- Te Mana Ao Tūroa (Taiao) - Bachelor in Māori Advancement (Level 7)
- Te Tohu Paetahi Ngā Poutoko Whakarara Oranga - Bachelor in Social Work (Biculturalism in Practice) (Level 7)
- Te Tītohu Arahina Te Hunga Tangata (Ngā Poutoko Whakarara Oranga) - Graduate Diploma in Professional Supervision (Level 7).

Graduates of this programme may also move on to the National Certificate in Offender Management (Levels 3, 4 and 5) at another institution.

## Career pathway

Career pathways for graduates of this programme may include:

- security officers
- corrections or probation officers
- defence force personnel
- community work supervisors
- customs officers
- custodial roles.

### Programme overview

Start a career in engineering and construction with the Certificate in Career Preparation (Infrastructure).

This programme will give you foundation-level knowledge of infrastructure development (including roading, tunnelling, traffic and transportation or other construction projects) as an introduction to further learning in this field. You'll also get practical experience in the industry.

The programme is taught in a unique Māori learning environment based on the Māori principles of rangatiratanga (leadership), tūhonohono (engagement) and mauitanga (innovation).

### Entry criteria

To enrol, you'll need to:

- attend an interview
- successfully complete a pre-entry assessment
- consent to drug testing.

### How you'll study

This programme involves a mix of study activities including directed and self-directed learning.

### What you'll study

While you're on this programme, you'll:

- gain fundamental knowledge of earthworks management and infrastructure works
- learn how to use and maintain small machinery and equipment used in temporary traffic control
- develop work, team and leadership values and skills through classes and noho
- become familiar with on-site health and safety
- create a career plan for the infrastructure industry
- learn skills to help you apply for jobs.

### Pathway

This programme may lead to further study in the infrastructure field with another institution.

### Career pathway

This Infrastructure certificate may help you prepare for an entry-level position in infrastructure or construction.

### QUICK FACTS

## STUDY WITH US

## TE PUNA MANAAKI STUDENT SUPPORT

### ABOUT US

Our student support advisors are here to help you while you study. This includes helping you with any issues you may have with your enrolment, your coursework, choosing a future career, managing a disability, taking care of financial needs or your general well-being.

We'll work with you to assist you with the skills to complete your studies and achieve success. Our services are free, and anything you tell us will stay with us – we won't give your information to anyone you don't want us to. Listed below are some of the things we can help you with.

### ENROLMENT SUPPORT

We can help you work through your options to choose a programme that will set you on the right track with your study and launch you into the career you've always wanted. We can also guide you through the enrolment process.

### ACADEMIC SUPPORT

Our student support advisors can set you up with the skills you need to write essays and complete assignments, including helping with things like time management, reading strategies and referencing.

### FINANCIAL ASSISTANCE

You'll need to support yourself financially while you're studying. We can help you make sure you receive all the financial support you're entitled to. This includes help with Work and Income, StudyLink and scholarships. We can also put you in touch with people who will help you with budgeting advice to make your dollars go further.

### HEALTH AND WELL-BEING

We know it's important to be healthy in mind and body while we study. We can help you find a counsellor or health care provider to make sure you're fit and healthy while you're with us. We can also provide guidance and support if you have concerns or complaints about your study experience.

### TAUIRA REPRESENTATION

As a tauira at Te Wānanga o Aotearoa, you'll get a chance to be a representative for your class. Student Support works closely with class representatives to make sure tauira concerns are heard and addressed. Volunteers for this role are usually chosen at the beginning of each programme, so put up your hand if you're keen!

### CAREERS GUIDANCE

We can help you reach your career goals by working with you to plan your career, prepare a curriculum vitae (CV) and cover letter, brush up on job search skills, or enrol with Student Job Search.

### DISABILITY SUPPORT

If you have a temporary or permanent disability or impairment, make sure you talk to us about how we can help. We can arrange an assessment of your learning needs, or an eye or hearing test. If you have an impairment, we may be able to provide a note-taker or special equipment or resources.

### CONTACT US

For more information on our services, or if you need help, please contact your local student support team.

- ☎ Call our freephone: 0800 355 553
- ✉ Email us: [student.support@twoa.ac.nz](mailto:student.support@twoa.ac.nz)

Looking for the best in childcare and early education for your young family? Why not enrol them at one of our early learning centres?

Te Wānanga o Aotearoa provides high quality early childhood education and care to children of students, staff and communities.

Each whare whāriki kōhungahunga:

- has a high proportion of qualified and registered early learning teachers (at least 80% of staff)
- provides a learning environment embedded in Te Whāriki (the early childhood education curriculum)
- offers competitive fees
- is registered with WINZ (for those who are eligible for a childcare subsidy)
- provides 20 hours of early childhood education each week for children three to six years old
- supplies healthy meals for all children at no extra cost.

### About us

Te Pātaka Maramatanga provides a free, comprehensive service to all taura, wherever they are studying. Our libraries, based around the country, provide friendly, trained and experienced kaimahi to help you find and use information for research, learning and assignments.

All our libraries provide free computer access (including free internet and wifi access); a range of books, magazines, DVD's and databases that support Te Wānanga o Aotearoa programmes; the ability to view videos and listen to music; and much more. Each library in the group is seen as the learning community's own space, with kaimahi placing emphasis on helpfulness in a welcoming environment. Resources include e-books, e-journals and access to thousands of educational videos.

Taura are encouraged to contact library kaimahi with their questions or requests, either in person or by freephone, email or post. In addition, each regional librarian provides an outreach service, regularly travelling to learning sites that are some distance from the library buildings.

The library website contains links to a wide variety of resources, including the library catalogue where taura can find and order titles at any time. Required books can be couriered to you and returned to the library at no charge.

You can visit us on our Te Pātaka Maramatanga Facebook page or utilise our virtual library.

Te Pātaka Maramatanga has designed a service to ensure that every student, in every place, in every programme of study has the library experience that makes the best possible contribution to learning success at Te Wānanga o Aotearoa.

For more information, you're welcome to visit Te Pātaka Maramatanga, your library or contact us at:

## About us

In 2010, Te Wānanga o Aotearoa established the Aotearoa Scholarship Trust (AST) to provide financial support to prospective and current students. The trust helps students further their tertiary education by awarding scholarships or providing other financial assistance.

Since 2011, the AST has presented a combined total value of \$427,500 to 89 individuals, including Conference Awards to two groups of students.

The AST is particularly interested in supporting students who make contributions of consequence to whānau and community transformation.

## 2015 Scholarship offering

Further information about the 2015 pool of AST scholarships can be found on Te Wānanga o Aotearoa website or obtained from your local student support office. This information will be available from December 2014.

## CONTACT US

For more information, or if you have any questions, email us at [ast@twoa.ac.nz](mailto:ast@twoa.ac.nz).

## About us

Kāpuia is the graduate community of Te Wānanga o Aotearoa. If you've completed a programme with Te Wānanga o Aotearoa from certificate to degree level, you're eligible to join Kāpuia.

## History

Kāpuia has been 27 years in the making and was launched in September 2010.

The name Kāpuia comes from a proverb by the late second Māori King, Kīngi Tāwhiao (1822-1894), who was well-known for his prophetic sayings.

*Ki te kotahi te kākaho ka whati, ki te kāpuia e kore e whati.*

*When reeds stand alone they are vulnerable, but bound together they are unbreakable.*

This proverb was expressed by Kīngi Tāwhiao to inspire his people to unite and support one another despite the hardships of that time. It still holds significance today as an acknowledgement of the universal value of kotahitanga (unity), an underpinning value of Te Wānanga o Aotearoa.

## Our aim

Kāpuia provides a formal forum through which graduates can share their journeys, experiences and stories.

Kāpuia supports graduates to maintain and build on the relationships they forged while they were studying with Te Wānanga o Aotearoa. Kāpuia also provides ongoing support for graduates as they move into work or further study.

## Who can become a member?

If you've completed a qualification with Te Wānanga o Aotearoa, you're eligible to join Kāpuia.

## How do I become a member?

Register at [www.twoa.ac.nz/kapuia](http://www.twoa.ac.nz/kapuia)

## Do I have to pay to become a member?

No, there are no subscription fees.

## Who do I contact for more information?

For more information regarding Kāpuia, please email: [kapuia@twoa.ac.nz](mailto:kapuia@twoa.ac.nz) or contact us at 0800 355 553.

Words in this glossary are defined according to their usage at Te Wānanga o Aotearoa. In any language, a word may have a number of meanings with subtle nuances and shades of meaning depending on context. This is particularly so for the Māori language.

As an oral language, meanings may vary quite markedly depending not only on context, but also on intonation when a word is spoken. Knowledge of concepts that underpin kupu Māori can also alter, or add to, the apparent meanings of words. It should be noted that this glossary does not provide global meanings for the words contained here. For additional meanings of kupu Māori, refer to the Dictionary of the Māori Language by H.W Williams (ISBN 186956-045-0).

**ako** - learn; teach (see tikanga whakaako)  
**ākonga** - a participant engaged a field of new learning; student  
**aotearoa** - long white cloud; New Zealand  
**Apakura** - Tainui ancestor and tribe; name of the Te Awamutu campus  
**Atua** - a god; demon; supernatural being  
**awhi** - embrace; foster; cherish  
**awhina** - assist; benefit; befriend  
directed learning - new learning that occurs in the presence of a kaiako  
**hapū** - subdivision of a tribe; or sub-tribe  
**hauora** - health; vigour; spirit of life  
**hinengaro** - mind; Intellectual and /or emotional dimension of a person or group  
**hui** - assemble; gather; meet  
**iwi** - group of hapū who are linked by tūpuna and blood; tribe  
**kaiako** - tutor  
**kaiāwhina** - personal assistant  
**Tumu** - executive director  
**kaimahi** - staff member; staff  
**kaitautoko** - assistant; support person  
**kaitautoko whakarite** - administration support  
**kaitiaki** - guardian; support person  
**kaitiakitanga** - guardianship  
**kaitohutohu** - advisor  
**kaiwhakahaere** - manager  
**kaiwhakahaere-ā-mahi** - operations manager  
**kaiwhakahaere-ā-rohe** - regional manager  
**kaiwhakahaere mātauranga** - academic manager  
**kaiwhakarite papa ākongā** - site administrator  
**kanohi ki te kanohi** - face-to-face  
**kapa haka** - haka group  
**karakia** - incantation; similar to the western concept of prayer  
**karanga** - a call (usually of welcome)  
**katoa** - all; the whole; altogether

**kaumātua** - elder/s  
**kaupapa** - theme; philosophy; topic; agenda  
**kawa** - protocol  
**kete** - basket traditionally made from flax  
**kīngitanga** - Māori king movement  
**koeke** - council of elders  
**koha** - gift (not exclusively materialistic)  
**kōhanga reo** - language nest; a total immersion Māori language family programme for young children from birth to six years of age.  
**kōnae ako** - learning module  
kōrero - to speak; talk; discuss; debate  
**koro / koroua** - elderly man  
**kotahitanga** - oneness; unity  
**kōnae ako** - module; paper  
**kuia** - elderly woman  
**kuki airani** - Cook Islands or Cook Islander  
**kupu** - word  
**kura** - school  
**kura kaupapa** - school operating under Te Aho Matua o ngā Kura Kaupapa Māori principles, customs and values using te reo Māori as the medium of instruction  
**mahi** - work  
**mana** - prestige; having influence of power  
**manaaki** - show respect or kindness to; entertain  
**manaakitanga** - hospitality; respectfulness  
**mana whenua** - local people  
**manuhiri/manuwhiri** - visitor  
**māoritanga** - pertaining to Māori  
**marae** - communal gathering place  
**marau** - curriculum; curriculum area  
**mātauranga** - knowledge; understanding  
**matua** - senior; male parent  
**mau rākau** - the art of māori weaponry  
**mauri** - life principle  
**mihi** - to greet; a speech of greeting  
**moana** - sea  
**moko** - tattooing on the face or body  
**ngā** - plural of 'te'  
**ngahere** - forest  
**noho marae** - live-in or stay over (not exclusively on a marae)  
**ōkawa** - formal  
**ōpaki** - informal  
**ora** - alive; well; in health  
**paepae** - speaking platform  
**Pākehā** - a person of European descent (generally)  
**pānui** - newsletter; circular  
**papa ākongā** - delivery site  
**Papaiōea** - traditional name given to the Palmerston North campus  
**pātaka** - storehouse  
**pouahorangi** - tutor

**pouako** - tutor  
**pōwhiri/pōhiri** - beckon; welcome; a ceremony to welcome visitors  
**puna** - spring (of water)  
**pūrakau** - ancient legend; myth  
**Rāhui Pōkeka** - Huntly campus  
**rangahau** - research  
**rangatahi** - youth  
**rangatira** - chief; leader; well-born noble  
**rangatiratanga** - chieftainship; leadership  
**raranga** - weaving  
**reo** - language; speech  
**rohe** - region  
**rongoā** - medicine;  
**rōpū** - group  
**self-directed learning** - new learning that occurs without the presence of and interaction with a kaiako; also includes the process of consolidating learning that has previously occurred during directed learning periods  
**Tainui** - Te Wānanga o Aotearoa region that covers the western central region of the North Island from Pukekohe in the north, Mōkau through to National Park in the south and from Tokaanu around the western side of Lake Taupo through Tokoroa and Matamata across to Katikati, and taking in the Coromandel Peninsula  
**Tāmaki Makaurau** - referring to the highly sought after land that is currently the site of Auckland City  
**Tāmaki Makaurau/Tai Tokerau** - Te Wānanga o Aotearoa region that covers the north of the North Island from North Cape to Papakura  
**tamariki** - children  
**tāne** - man; male  
**tangata/tāngata** - person / people  
**tangi** - to cry; to weep  
**tangihanga** - formal ceremony during which relatives and friends mourn and honour the passing of a loved one  
**taonga** - property; anything highly prized  
**tapu** - under spiritual or religious restriction affecting persons, places or things  
**tauira** - a participant engaged a field of new learning (see ākongā); student  
**tauivi** - non-Māori  
**tautoko** - support  
**te** - the  
**te ao Māori** - Māori worldview and its representations  
**Te Mana Whakahaere** - the Council of Te Wānanga o Aotearoa  
**Te Puna Mātauranga** - head office  
**te puāwaitanga** - graduation  
**Te Rautiaki Mātauranga** - the Academic Board of Te Wānanga o Aotearoa

**Te Tai Tonga** - Te Wānanga o Aotearoa region that covers Wellington, Porirua and the South Island  
**Te Tiriti o Waitangi** - the Treaty of Waitangi  
**tiaki** - look after; protect; conserve; save  
**tika** - right; correct  
**tikanga** - custom; plan method (derived from tika)  
**tinana** - body; trunk; the main part of anything  
**tipuna/tīpuna** - ancestor/ancestors  
**toa** - warrior  
**tohu** - certificate; proof; sign; mark  
**toi** - art / arts programmes  
**tūāpapa** - foundation; base; foundation programmes  
**tupuna/tūpuna** - ancestor/ancestors  
**tūrangawaewae** - a place to stand; place of belonging  
**ture** - lore; law  
**uara** - value  
**uaratanga** - organisational mission statement  
**uepū** - directorate  
**umanga** - business and computing programmes  
**wahine** - woman; female  
**Waiariki** - Te Wānanga o Aotearoa region that covers the area from Katikati in the north, bounded by the Tainui Rohe in the west down to Turangi, then east taking in the Huiarau Range and north to Ōpōtiki  
**waiata** - to sing; a song
